Bits & Pieces

ASSHOLE OF THE MONTH

The price of freedom is eternal vigilance, which is a bargain until the perpetually watchful eye falls upon Paula Houston. Glancing even momentarily at Houston's toadlike countenance fills the observer with the urge to rip his eyes from their sockets. But a far more profound ugliness beneath Houston's hideous exterior compels the patriotic sentinel to hold his gaze. Houston is Utah's first Obscenity and Pornography Complaints Ombudsman, though we at America's Magazine refer to her as HUSTLER's Asshole of the Month for September 2001.

PAULA HOUSTON

The 41-year-old Houston was coronated on January 27, 2001. "We don't want to trample on the First Amendment," Houston winked, with all the charm of a rectum pinching out a turd.

Houston's duties as Porn Czar amount precisely to an attack on the freedoms guaranteed by the Bill of Rights' flagship declaration. Houston's goal is to craft a state "moral nuisance law" and a model ordinance for cities and counties "to abate and discourage obscenity and pornography"—in short, to provide legislative ammo for Utah's shrill minority of pinch-faced cranks who strive to dictate the viewing, reading and entertainment habits of their fellow citizens.

"There's a fight," Houston harps, "and it's worth fighting."

Houston's most arduous battle is with her own credibility. Just look at the pug-fugly bureaucrat. Now try to picture a dick approaching her and maintaining its tumescence. Not even the *Salt Lake Tribune* can see it. The Czar's hometown paper reported that she's "an acknowledged virgin." Ignoring the obvious question of whether someone who's never had sex could objectively judge erotic expression, Houston declined to confirm her intact hymen.

"My personal life is irrelevant," snaps Houston, whose duty is to meddle with a free citizenry's personal enjoyment of XXX videos or magazines such as HUSTLER. Reasonable doubters who cite the "expert's" sexual inexperience, says Houston, don't "understand the legal requirements" of her position.

Then again, neither does she. "I'm pretty much making this up as I go along," shrugs Houston, a half-assed stab at false humility that rings horribly true when juxtaposed with her other proclamations: "Pornography is not protected by the First Amendment," bleats Paula, ignoring a host of judicial rulings to the contrary. While the U.S. Supreme Court holds that material can only be considered obscene if "the work, taken as a whole, lacks serious literary, artistic, political or scientific value," Houston surmises that obscenity can be established by as little as "a caption under a picture."

In lieu of legal acumen, Houston touts the harmful "side effects" of adult material. Though all credible research indicates that porn's only dangers are paper cuts and carpal-tunnel syndrome, Houston insists that smut leads to "violence" and "antisocial kind of behavior."

"Porn tears families apart," theorizes the spinster, who lives alone with her two dogs. No evidence exists to support the alleged family rending of porn, though real facts refute Paula's wobbly claim that "Utah is a family-oriented state, and there's no place for pornography in a family-oriented state."

During a recently dismissed obscenity case, Utah County residents were discovered to consume adult material at nearly double the national rate. Houston claims to have "never heard" these findings, though, as a "pornography attorney" who's now in charge of delineating Utah's mores, she is paid to pay attention to such details.

With similar cluelessness, Paula hopes not only to impose her false notion of communal morality on Utah "for as long as it takes," but entertains delusions of spreading her unwarranted and unwanted repression on a national level.

"Every state needs it," Houston says of her position. "[Pornography is] a problem everywhere, not just in Utah."

Pornography's only problem is that it attracts the empty posturing of moral blowhards. An innocent jerkoff might even open his new HUSTLER and, expecting the usual ripe, delectable pussy, be assaulted by the image of a vinegarish, unused cunt like Paula Houston, assailing him with her bovine glare of contempt. Close your eyes, if you must, but take a good, deep whiff; the first step to a healthy recovery is recognizing that Paula Houston is a rank Asshole.

FARTS IN THE WIND

Robert Downey Jr.: HUSTLER supports Downey's ongoing struggle to freely ingest whatever substance he chooses. However, when Downey was stopped by police last April in Culver City, California, and led the law to a friend's motel room, resulting in that man's arrest, he morphed from libertine role model to Asshole fuckup.

Julie Ponder and Connell Watkins: "Rebirthing therapists" Ponder and Watkins were convicted in the asphyxiation death of ten-year-old Candace Newmaker. In an effort to help Candace bond with her adoptive mother, the pair wrapped the child in a blanket and had four adults lean on the kid for 70 minutes as she screamed for her life. "It wasn't possible to believe every word Candace Newmaker says," Ponder's attorney claimed. "That was part of her problem." No doubt the jurors also felt suffocated, by the sickening bullshit of two murderous Assholes.

Wolfgang Amadeus Mozart was not accustomed to playing requests for common prostitutes; the piano master's fingers usually diddled the ivories for kings. Yet Mozart itched to play a tune on the strumpet as a change of pace. True to form, Mozart composed *Minuet on Mons Pubis Major* on the spot—a classic that endures to this very day.

Seeing Mirage

While I enjoy all the lovely ladies who grace your pages, Mirage (Mirage and Erik: Third-Eye Blonde, June 2001 HUSTLER) is a filet mignon in a world of hamburger. I was extremely excited to see the emphasis that you put on Mirage's lovely legs and fine feet. My only bitch is that the one shot of the fine model in nylon stockings left me wanting more. Bring back Mirage, and make sure she's wearing hose. —C. C.
Winchester, Virginia

Paging Dr. Ass

The June 2001 issue of HUSTLER is the greatest magazine ever. I'm a medical student under loads of stress, but I always make time to read every issue of HUSTLER cover to cover. The recent focus on anal penetration, especially the grade-A ass-fucking in Mirage and Erik: Third-Eye Blonde, gave me more pleasure and satisfaction than I could have ever suspected. Please keep up the supply of great asses stuffed with cock. —J. R.
Valhalla, New York

Hard-core fans may recognize Mirage as the blue-screen starlet Brianna Banks, Vivid Video's newest contract girl. While strokers can expect some hot film work from Mirage in the months to come, HUSTLER has already been plugging the leggy starlet's ass for some time now. Call (800) 386-7595 and snag the April 2000 HUSTLER'S LEG WORLD to see more stockinged, butt-stuffed shots of Mirage.

Destiny Turns on the Reader

I was flipping through the June 2001 HUSTLER when I happened upon Destiny (Destiny and Lee: Give Up the Gunk). I couldn't believe my eyes. She's one of the most beautiful pieces of ass to ever grace the pages of a spank mag. That Lee character is one lucky motherfucker. Your magazine has the hottest chicks in the world. I can't wait for the next issue to come out. Keep up the good work. —J. S.

Tiffany Fan

Tiffany (Beaver Hunt, April 2001) is really frigging hot. She has a beautiful face and a pussy to match. The fact that she has a husband makes her seem more real, and all the more doable. Please bring this classy amateur back as a Beaver Hunt finalist. —F. D.

Middle-Aged Beaver

After looking through the April 2001 HUSTLER, I couldn't help but sit down and write you guys this note. I hadn't seen the inside of HUSTLER for some time, but now that I'm divorced, I look forward to seeing more. In particular, Tina, the 41-year-old blonde in Beaver Hunt, really turned me on. The young couples in your magazine are hot, but how about running shots of folks in their 40s going at it? —S. M.

I love the look of your bold new lettering with the springtime colors, but watch those floating words—don't let them cover up the chicks! PARODY. AMERICA'S MAGAZINE STRIPPED INTO WORLD LEADERS' HANDS. NO PROOF EXISTS THAT DUBYA ACTUALLY TRADED HUSTLER FOR HOSTAGES.

"My interest lies solely in lesbians with shaved pussies. My deepest longing is to eat and drink the waste that spews from a bald-pussied dyke."

(continued from page 13) *have no hankering to eat a chick's piss or shit after she's had a cock in her. I require clean-shaven crack because I don't like hair in my food. Until a magazine comes along that caters to my exact fetish, I will only buy single issues that contain photos that match my aforementioned criteria. Thanks for your time. —S. C.*

He Wants Candy

Today I received the July 2001 HUSTLER in the mail. I opened to the first page, and saw Candy Apples squatting in spike heels and taking a piss. My cock immediately went stiff. You guys really know how to start off a magazine right. Keep printing the pee shots, and I'll happily keep subscribing. —R. D.

Scat's Entertainment

Someone on the Internet tipped me off to your story about scat in the June 2001 HUSTLER ("Eat Shit and Come," Sex Play). There are a lot of us poop lovers out here, and most magazines don't dare touch the subject. My enjoyment of shit is more visual—I enjoy watching crap-eating videos. I hope that sooner or later I will be able to see some scat play in one of your magazines. Perhaps you can start small by telling your models not to wipe after they take a dump. —G. D.
Kenmore, New York

HUSTLER is well aware that there's an army of shit lovers out there. We can smell you guys coming from a mile away. Please, have mercy on us and wash your hands before writing your letters.

Strokers Beware

One of the ads in your magazine is a blatant scam, and I feel that you should be informed. The advertisement claims to offer 35 separate, four-hour videos at a bargain price. I foolishly sent these bastards a check for 20 titles. What I received was a single video with 20 short segments, each with a title matching one in the advertisement. The total running time was three hours and 52 minutes. I bring this to your attention to make you aware that creeps are using your pages to swindle the public. You have an excellent magazine, and I am sure that you do not wish its reputation to be sullied by cheap crooks. Please publish this letter so that other readers won't be fucked over like I was. —R. L.
Sidney, Ohio

Irked Jerk

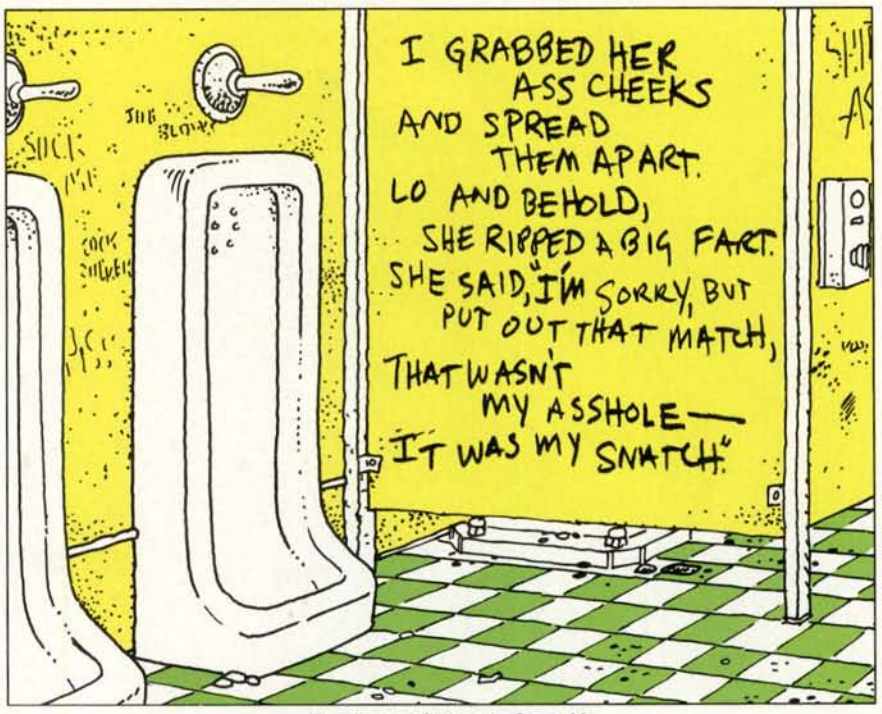
Over the last two years I have sent you enough worthwhile material to start a magazine. Larry Flynt must have left a bunch of neutered wimps in charge of his magazine, because none of my writing has seen the light of day. I'm censored by all the other dick-sucking media organizations in this country, but I thought that HUSTLER would be different. The fact that you haven't published any of my writings proves that you're a bunch of candy-assed homos just like the rest of the media. Why don't you faggots at least do me the favor of publishing this letter? —B. R.
via Internet

Quit bugging us and start your own damn magazine already. What we and all the other publications are doing isn't called censorship—it's referred to as quality control.

Ballsy Guy

I'm writing in response to Dan Kapelovitz's article Men Without Balls from the May 2001 HUSTLER. I'm 32 years old, and have fantasized about having my balls and penis removed for my entire life. I don't like the look and feel of my genitals, and can't stand seeing them dangling there between my legs. I don't want to be a woman or anything. I just want to be a man with a vagina, so I can discover what a penis feels like inside (continued on page 31)

GRAFFILTHY

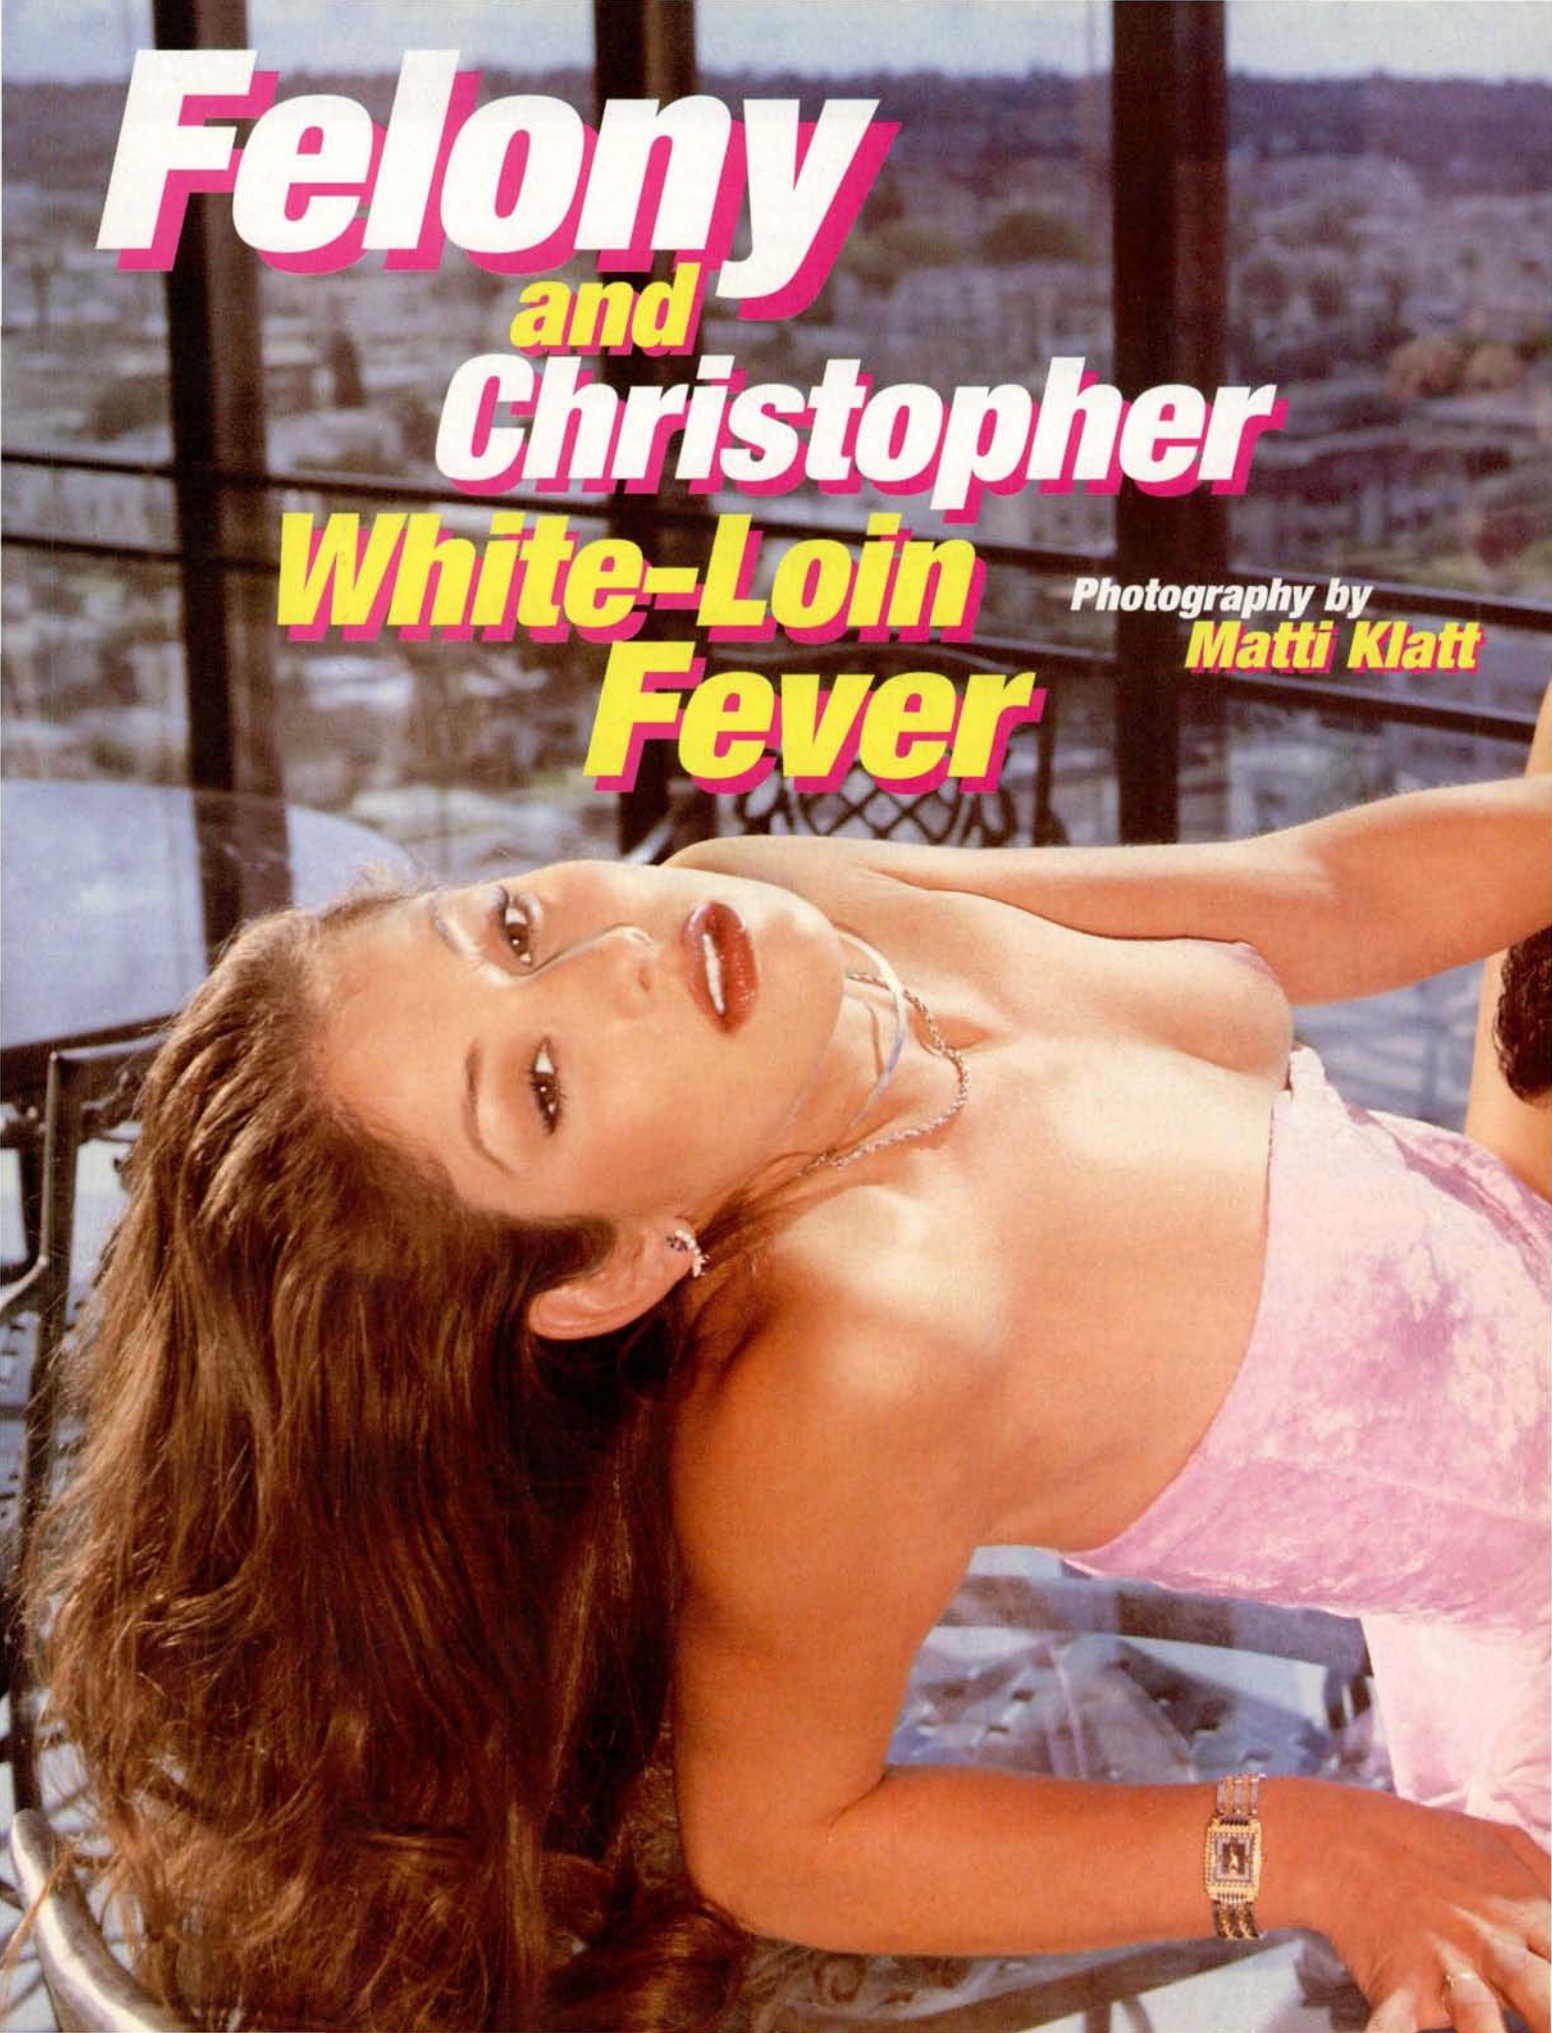


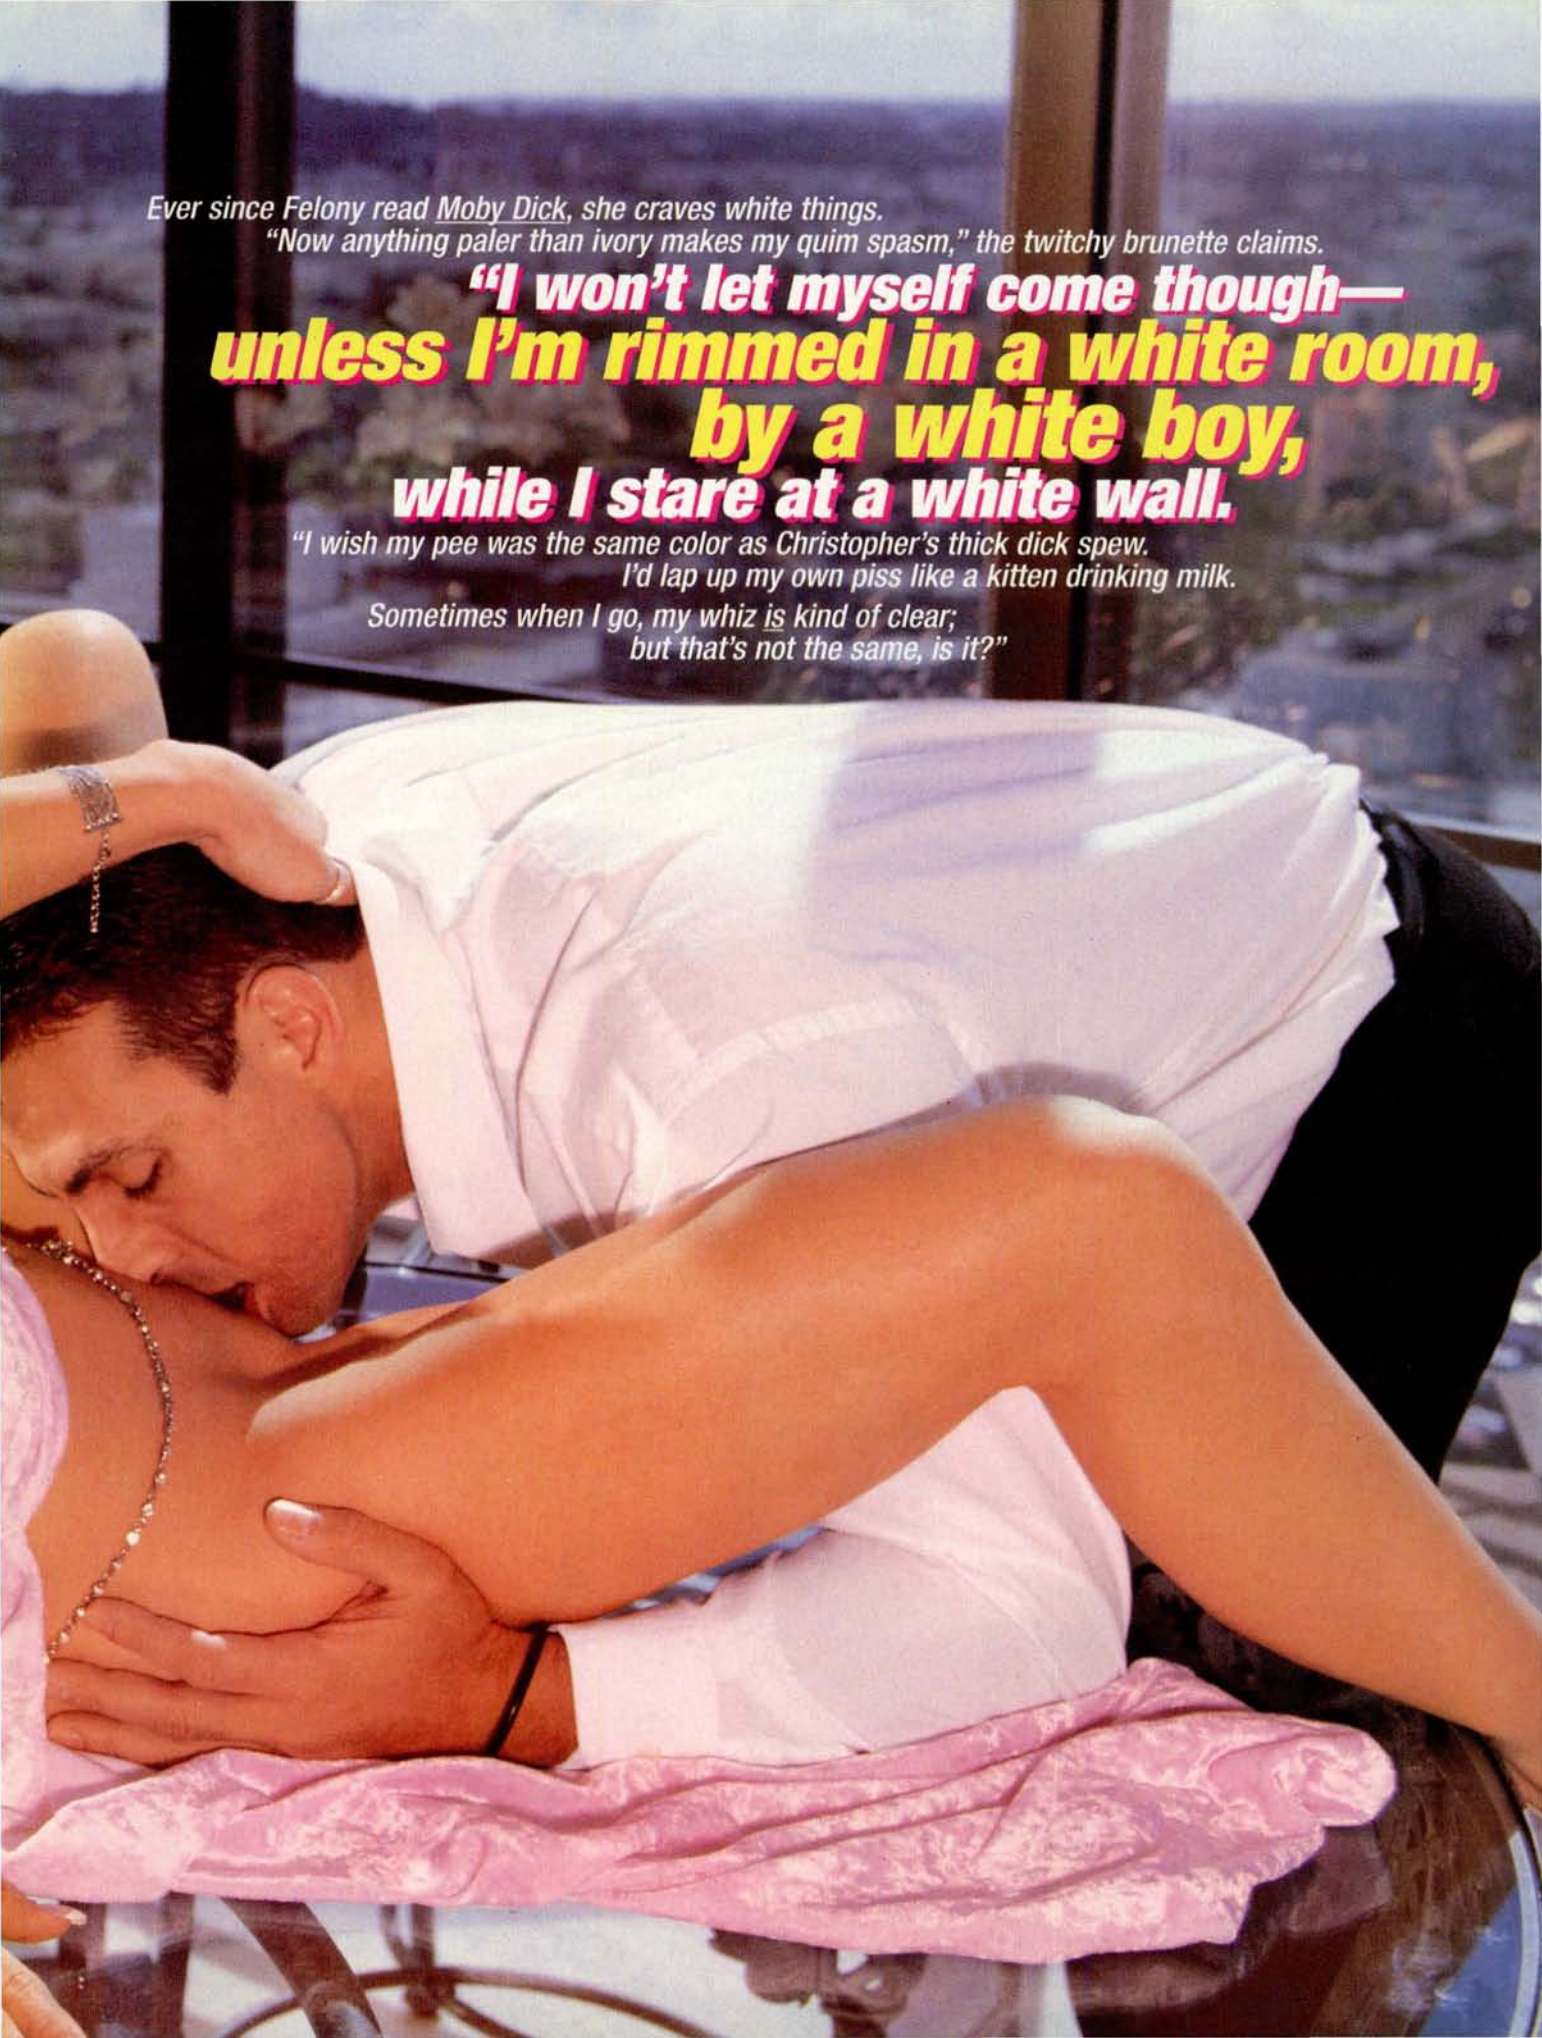
I GRABBED HER ASS CHEEKS AND SPREAD THEM APART.
LO AND BEHOLD, SHE RIPPED A BIG FART.
SHE SAID, "I'M SORRY, BUT PUT OUT THAT MATCH, THAT WASN'T MY ASSHOLE— IT WAS MY SNATCH."

Thanks and $50 go to Stacy M.

Felony and Christopher White-Loin Fever

Photography by Matti Klatt





Ever since Felony read Moby Dick, she craves white things.
"Now anything paler than ivory makes my quim spasm," the twitchy brunette claims.

"I won't let myself come though—
unless I'm rimmed in a white room,
by a white boy,
while I stare at a white wall.

"I wish my pee was the same color as Christopher's thick dick spew.
I'd lap up my own piss like a kitten drinking milk.
Sometimes when I go, my whiz is kind of clear;
but that's not the same, is it?"

Delicious undergrad vixens give up their right to remain decent, admitting to sinful acts and wishes before performing dramatic reenactments. They spill their guts, you spill your nuts; featuring the country's hottest coeds.

Feedback

"Please accept the heartfelt thanks of the Tinsley family for the article about Dwaine. You managed to capture his wonderful spirit and strength."

(continued from page 19) *me while getting screwed. Can you guys show pictures of patients with their balls castrated and/or their penises cut off? —B. C. Queens, New York*

Our first instinct would be to say no. If you're looking for a magazine that focuses on men with vaginas, subscribe to O.

Wanna-be Porn Scribe

I read in the March 2001 issue of HUSTLER that Larry Flynt gave a million bucks to a man from Europe for a porn script ("HUSTLER's Million-Dollar Videos," Erotic Entertainment). What the hell does that Eurotrash have that a U.S. citizen doesn't? That's why I'd like you to consider purchasing my screenplay. Perhaps a picture of me receiving a check will soon appear in HUSTLER. —B. M. Pittsburgh, Pennsylvania

Pierre Woodman has years of experience as a hard-core photographer, and a shitload of XXX films under his belt. In light of his credentials, we'll excuse his Frenchness.

Party Foolhardy

I just bought the June 2001 issue of HUSTLER. Your choice for "Asshole of the Month" was totally stupid. John Ashcroft is a fine American. So what if he is pro-life and pro-gun? Your continual attacks on Republicans are why I cancelled my subscription. —S. S. via Internet

We're sorry you feel that way, S. S. We hate to lose a reader, but if your party affiliation means more to you than your sexual preference, there's no stopping you. Have fun whacking off to the John Birch Society newsletter.

Chester Remembered

Please accept the heartfelt thanks of the Tinsley family for the well-written, insightful article about Dwaine (Drawing Ire in Pain and Ink, July 2001 HUSTLER). Dwaine had an enormous impact, not only as a cartoonist, but as a person, and you managed to capture his wonderful spirit and strength. Through all of his hardships, Dwaine always kept his chin up, and we as a family are trying to follow his example. Our family stands as yet another unfortunate reminder that mental illness and drug addiction can strike anyone's child, and that the results can be devastating. Your frankness and objectivity have eased some of our pain. Our kids thank you, and I thank you. —Ellen Tinsley via Internet

You're welcome. Dwaine is and will be sorely missed. We're glad our tribute gave you and your family solace.

Happy Birthday: *The only decent use for an SUV.*

Happy Birthday: *Group sex beats the hell out of Pin the Tail on the Donkey.*

Happy Birthday: *"Mmm... the icing is the best part."*

Happy Birthday

Directed by Pierre Woodman. **Starring** Judith, Sylvia, Szylvia, Katy Zora Jones, Tavalia, Ksandara, Beata, Katalyn, Alain Deloin, Bob Terminator, Frank Major, Karl Ben, Sebastian, Yann Scott, JPX, Laslie and Attila. **Videocassette:** HUSTLER Video.

Porn *auteur* Pierre Woodman kicks off HUSTLER's new Platinum Line with *Happy Birthday*, an opulent tale of lust and betrayal that's so full of hot gash and breathtaking locations that it's obscene. Woodman's gift for finding gorgeous women with all-natural bodies reaches new heights with lead trollop Judith. Sporting an absolutely perfect ass, Judith takes every opportunity to show off her pert tits and cock-handling skills. Originally shot in French, *Happy Birthday* is hilariously dubbed into English, but the goofy exposition never interferes with nearly three hours of exemplary fucking and sucking. Highlights include Daria's bitchy stepmom displaying her flawless, silicone-free mams during an outdoor anal rut with Daria's husband. Thanks to unforgettable women in dazzling settings, *Happy Birthday* is sure to blow out meat candles everywhere.

The Lifestyle's cold, bare facts.

Swapping Stories

The Lifestyle Director David Schisgall on Heartland Perversion

While shooting *The Lifestyle: Swinging in America* (Winstar Home Video), a dirty documentary glimpse into the world of wife-swapping, director David Schisgall and his crew worked nude in an attempt to fit in with the film's libertine subjects. On the eve of *The Lifestyle*'s videocassette and DVD release (following a successful run on the film-festival circuit), *Erotic Entertainment* caught up with Schisgall to discuss his adventures with the swing set.

***HUSTLER:* What was the strangest thing that happened to you while making The Lifestyle?**

SCHISGALL: I was sitting with my feet in the pool, talking to this guy about what's happening in the NFL, and this woman swims up between his legs and starts fellating him. I swear, he doesn't miss a beat; he just keeps talking to me, and she's giving him a blowjob, really going at it. Meanwhile, we're talking about why the Redskins suck.

***HUSTLER:* Had you ever been in the presence of other people having sex before?**

SCHISGALL: I'd been to parties where people were having sex, you know, off in the bathroom or the corner. But not in the middle of the floor.

***HUSTLER:* What was your reaction?**

SCHISGALL: It's surreal and arousing at the same time. It's just like a normal backyard barbecue or cocktail party, but people are running off and having sex in the next room, and you can kinda see it and you can hear it. While they're having sex, people will talk to you. It's like a wonderland.

***HUSTLER:* It doesn't sound all that different from a porn set.**

SCHISGALL: Porn stars, when they're performing on-set, they've got this self-image that they're projecting. When swingers are swinging, they're at a party with their friends and at their most relaxed.

***HUSTLER:* So looks aren't that important to swingers?**

SCHISGALL: One of the things about swinging is that the people who do it are not as good-looking as the people in HUSTLER. For me, it really flipped my lid to see people that had regular, normal bodies—middle-aged bodies—having sex.

***HUSTLER:* So there weren't any 20-year-olds?**

SCHISGALL: I found it to be very rare. I found that there were a lot of young people who wanted to be in my film, because it was going to help their careers as "amateur" porn stars.

***HUSTLER:* Is there a call for porn wanna-bes in the documentary world?**

SCHISGALL: There are plenty of so-called documentaries about swinging that aren't really documentaries, but a bunch of people who get together, have a swing party, film it and sell it. I think that's a beautiful thing, but it's not really a documentary; it's more like gonzo. It's like reality porn.

***HUSTLER:* Do you think people will be able to jerk off to your film?**

SCHISGALL: I get e-mails from people who think it's really arousing. If you find it arousing to have group sex with a bunch of people that you might meet at the supermarket, you'll probably find it arousing to watch it happen in my film.

Hand Job Hunnies #2: *"Nikita, watch where you aim that thing."*

A Whore's Life #1: *Daniella Rush's daily dose of anal.*

12 Strokes to Midnight: *"You're sure it won't rub off?"*

Horny Hairy Girls #2: *When bikini lines go bad.*

Hand Job Hunnies #2

Directed by Michael Adams.
Starring Layla Jade, Nikita Denise, Jade Marcela, April, Nicole Sheridan, Victoria Del Rio, Candy Cotton, Taylor St. Claire, Dominica Leoni, Claudia Adkins, Houston, Lovette, Brigette Kerkove, Kianna Bradley, Tice Bune, Brian Surewood, Brick Majors, Voodoo and Steve Taylor.
Videocassette: Toxxxic Entertainment.

Fourteen of porn's hottest and raunchiest starlets jack, suck and milk anonymous pricks in *Hand Job Hunnies #2*. During each meat massage, the girls talk dirty and make continual eye contact with the camera, effectively simulating the experience of a $50 stroke-off; call it virtual sex for the technology-impaired. British hussy Layla wanks a bone, begging for "lovely, white-hot fucking cum," as if it were a cure for bad teeth. Nicole Sheridan kneels before a prick and tugs until the trouser snake spurts its venom across her face. Those who delight in the cock-pumping moments prior to the pop-shots in standard porn will enjoy this specialty title. Smut viewers who expect vaginal penetration in their porn will find the one-note skin-flute music of *Hand Job Hunnies #2* to be tedious.

—Nicholas Veridian

A Whore's Life #1

Directed by Thomas Zupko.
Starring Lizzy Borden, Taylor St. Claire, Dusk Del Mar, Monica Sweetheart, Illona, Daniella Rush, Brian Surewood, Luciano, Alek James Hidell, Gino Greco, Mr. Pete and Anthony Crane.
Videocassette: Extreme Associates.

Putting Mel Brooks's *History of the World Part I* to shame, Thomas Zupko's *A Whore's Life #1* is a hallucinatory anal romp through time that will leave strokers aching for the sequel. Lizzy Borden is the title whore who reminisces about her wasted life to a cynical zombie. Fuck flashbacks from key periods in mankind's history demonstrate the film's central thesis, voiced by Lizzy's decrepit grandfather as, "They're whores! Fucking cunts! What the fuck am I saying? I'm a fucking whore—we're all whores!" Supple-titted Taylor St. Claire is on fire as a Roman slut who majestically huffs Luciano's fleshy column before cramming her shitpipe with gleeful pagan decadence. Devoting too much time to flashbacks of Lizzy in age makeup instead of focusing on Monica Sweetheart and Daniella Rush in action is the only snag in the otherwise epic *A Whore's Life #1*. ***—C. T.***

12 Strokes to Midnight

Directed by Marc Dorcel.
Starring Meridian, Dolly Golden, Bettina, Gili Sky, Daniella Rush, Andrea, Jessica, Monika, Vanda, Vanessa, Delphine, Angela Tiger, K. Sandra, Lisa Marshall, David Perry, Bruno Aissix, Lou Valmont, Marc Barrow, Titof, H. P. Gustave, Rudolphe Antrim, Ian Scott and Kevin Long.
Videocassette: Wicked Pictures.

Phillip, the pussy-deprived protagonist of the dubbed French import *12 Strokes to Midnight*, has a hard time scoring. It's no wonder: The blue-balled Frog constantly talks to himself, blows off what few friends he has and never leaves the house. Ninety percent of this feature takes place in Phillip's dreams—a place rife with hot Euro-cooze begging to be thoroughly plugged with turgid man-meat. Phillip is such a loser that, even in his oversexed subconscious, he has to pay for a hooker. After two hours of badly dubbed sex fantasies, the tool finally wets his dick in Meridian's pink croissant, and that's only because she knocks on his front door and graciously offers her perky ass for schtupping. *12 Strokes to Midnight*'s fairy-tale message of free pussy for lazy fucks is a great concept, but this flick's execution leaves a lot to be desired. ***—N. V.***

Horny Hairy Girls #2

Directed by Rodney Moore.
Starring Angelina Smith, Fawna, Kirsten, Cecilia, Sasha, Peaches, Wolf Savage and Rodney Moore.
Videocassette: Odyssey Group Video.

The problem with *Horny Hairy Girls #2* is that the cast doesn't seem particularly horny, they're not excessively hairy, and, in one case, the use of the word "girl" is highly dubious. Director Rodney Moore treks through the woods and finds Angelina curled up in a sleeping bag. She's not sporting a jungle on her snatch, but nature girl's cute. Rodney eagerly munches her rug, scores a fine blowjob, and throws her a fuck that culminates with Rodney's trademark jizz blast to her face. Mega-titted Fawna hasn't shaved her ginch in all of three weeks; so Rodney drills her itchy stubble, and she gulps splooge. It's all fairly average fare until a gut-wrenching tryst between sexually indeterminate beasts Sasha and Peaches. The pair are hairy and scary, and one of them must be a tranny. Freak-show fans may be intrigued, but serious strokers should stay out of the bush in *Horny Hairy Girls #2*. ***—C. T.***

Chic Boxing: *Dru slobbers on her mouthpiece.*

Emerald Rain: *Dale D'Bone and Isabella fuck up a storm.*

Chic Boxing

Directed by F. J. Lincoln.
Starring Chloe, Dru Berrymoore, Charlene Aspen, Taylor St. Claire, Danielle, John Decker, Evan Stone, Marty Romano, Lee Stone, Billy Glide and Mickey G.
Videocassette: VCA Pictures.

Squandering the talents of porn heavyweight Chloe, *Chic Boxing* throws viewers the XXX equivalent of a jab to the groin. The flick's opening sparring session between Chloe and Charlene Aspen suggests that a full card of sweaty catfighting lies ahead. Sadly, the lurid potential is quickly abandoned for a tedious story detailing a young female boxer's difficult life. In fact, gloves, rings and canvas, perfect accoutrements for nasty hard-core, barely figure into this video downer. Scarce high points include Dru Berrymoore and Chloe's restrained lesbo match. Dru crams four fingers into Chloe's accommodating cooze. Berrymoore appears tempted to slide her thumb into her elastic gash, but holds the fist-making digit back. Meanwhile, viewers wish that Chloe had legal and directorial permission to cram an entire boxing glove into her snatch. By pulling cunt-punches, *Chic Boxing* makes boners take a dive. **—N. V.**

Emerald Rain

Directed by Nicholas Steele.
Starring Ava Vincent, Isabella, Suzy Sweet, Brianna Banks, Rita Faltoyano, Alexa, Dale D'Bone, Evan Stone and John Decker.
Videocassette: Adam & Eve Productions/ Ultimate Pictures.

In *Emerald Rain*, Ava Vincent is on a sweaty mission to save the rain forest. Vincent braves remote, uncharted terrain, pausing only to fuck Dale D'Bone on a tropical beach. Ava's quest (aside from providing Dale a soft, pink place to keep his prick) is to find scientist Tyler McCabe. The egghead, played by Evan Stone, has discovered the ultimate method for attracting gorgeous XXX starlets—spouting New Age, environmentalist blather. Like an oversexed version of *Apocalypse Now*'s Colonel Kurtz, Stone creates a kingdom far from the influence of civilization. Rather than sacrificing interlopers, Stone and his stunning followers induct them into their sex cult. Vincent, an easy convert, smokes Stone's rod before sliding onto his bamboo shaft with the agility of a big-titted spider monkey. Never mind the goofy, tree-hugging message and gorgeous Southern Hemisphere locations; Ava's bush makes *Emerald Rain* a worthy cause for strokers. **—N. V.**

High Octane

Directed by uncredited.
Starring Isabelle, Shanoue, Jeanette, Lilly, Hannah, Betty Love, Lucky, Botto Bold and Leonard.
Videocassette: HUSTLER Video.

High Octane demonstrates that there's no bigger risk than being involved with a hot fuck-bunny. When gambling debts force a luckless mook into the world of a wheelchair-bound mobster named Mr. Big, it's not long before the loser's main squeeze is lured into a seamy crime underworld, sucking thug cock while her beau is beaten to a pulp and abused by heartless mob molls. This European-made film-noir porno is a surprisingly tight little fuck flick, full of trashy, cock-starved sluts and just enough violence to keep its edge sharp. The brunette who gobbles goo as the gambler's girlfriend is a true standout. With any luck, some American company will give this Old World slit a contract and a green card so that strokers in the States may appreciate her gifts more often. By avoiding typical foreign-porn pretensions, *High Octane* never runs out of gas. **—C. T.**

Voices

Directed by Nic Cramer.
Starring Silvia Saint, Heather Lynn, April, Jay Ashley, Alec Metro and Dillion Day.
Videocassette: Pleasure Productions.

Alec Metro tragically survives a devastating car accident in *Voices*, only to discover that he can see into the mind of anyone he comes in contact with. The true casualties of this couples-friendly travesty are its hot slits, Silvia Saint, April and Heather Lynn. These outstanding tramps are reined in so tightly (presumably, to keep from upsetting any snuggling twosomes) that they could have been replaced by autistic turtles and no one would have noticed. As always, Silvia is gorgeous, but the golden girl, who usually oozes sex from every orifice, is practically somnambulistic in her scene with Dillion Day and Metro. April plays Metro's justifiably unfaithful girlfriend, but the young cock-queen's outdoor fuck is so ineptly shot, and the quality of Pleasure Productions' EP-mode videocassette so very shitty, that the scene is an eyesore. Listen to your wallet and ignore *Voices*. **—C. T.**

High Octane: *Fill 'er up.*

Voices: *Give them a cock, and they usually shut up.*

Screen sluts share the thrill of victory.

Critical Ass

Fleshing Out the 2001 XRCO Awards

On April 5, porn starlets, their respective suitcase pimps and myriad adult-industry insiders gathered for the 17th Annual X-Rated Critics Organization Awards. Held at the Century Club, a classy night spot nestled in the shadows of Los Angeles's skyscrapers, the event was a chance for fuck stars to get their drink on and their clothes off (as well as collect their share of the heart-shaped trophies).

Amber Lynn, Syren, Inari Vachs, Chloe, Shelby Myne, Lovette, Keri Windsor, Julie Meadows, Stephanie Swift and Sydnee Steele were just a few of the morally impaired talent to cross the tattered red carpet. Porn legend Ginger Lynn and self-appointed ceremonial windbag/fuck-flick historian Jim Holliday, both originally slated to host the evening's festivities, backed out at the last minute, allegedly due to illness. Instead, a cheery Kylie Ireland stepped up to the podium to take the show's reins.

Early in the evening, Cream Dream award-winner Allysin Chaynes accepted her trophy by uttering a phrase rarely employed with any sincerity by paid poontang. "I've never done this before, as you can tell," the young ginch proclaimed, cautiously eyeballing a plaque labeling her the year's cutest recently legal sex worker. "Thank you for this award. I don't know what it means."

Later, Jewel De'Nyle walked away with nods for Performer of the Year and Best Male-Female Sex Scene (for boning Nacho Vidal in New Sensations's *XXXtreme Fantasies of Jewel De'Nyle*), while the statuesque Tera Patrick scored a win as Starlet of the Year. Ava Vincent and Syren sucked out two awards for Cal Vista/Metro; *Les Vampyres* snagged Best Film kudos, and the pair's sapphic scene in the same film was dubbed the year's Best Girl-Girl work. The big-budget Jenna Jameson vehicle *Dream Quest* (Wicked) dominated the Best DVD category, while *Buttman's Toy Stories* (Evil Angel) won recognition as Best Video.

Taking a cue from the absent presenter Holliday, *Adam Film World* Editor Jeremy Stone pushed the boundaries of hyperbole while inducting this year's Hall of Fame honorees. "There is nobody in this room that can equal what Jake Steed has contributed to the adult-film industry," Stone gushed. Additional hot air was expelled in honor of Tracey Adams, Jim Enright, Dean Roberson, Rocco Siffredi, Patrick Collins and Porsche Lynn.

The evening's kudos, handpicked by XXX scribes (including HUSTLER Editors), are meant to be an antidote to other politically tainted, or ad-revenue driven, adult-industry award shows. "We don't really give a fuck," Stone said from the ceremony podium, citing himself as one of "the critics that just vote with their cocks." For the record, *Erotic Entertainment* used pen and paper.

Tera Patrick: "I love making porn this much!"

Slumber Party #15: *Adriana Sage, the life of the orgy.*

Gladiator: *"Emperor, this LXIX position is magnificent!"*

Hot Bods and Tailpipe #17: *"Wow—you really can hear the ocean!"*

Gladiator

Directed by Stewart Canterbury.
Starring Brigette Kerkove, Julie Meadows, Angelica Sin, Shay Sweet, Jessie Jordan, Chantal Lace, Evan Stone, Joel Lawrence, Rich Handsome and Kyle Stone.
Videocassette: Pleasure Productions.

Gladiator is an unimaginatively titled XXX take on this year's toga-rific Academy Award winner. While short on the ultraviolence that made its bloody dramatic namesake a hit, director Stewart Canterbury trumps Ridley Scott by delivering the one thing that the original lacked—anal. Angelica Sin props her ass in the air as Joel Lawrence heroically spears her sphincters. The sodomitic vixen spews blue pillow talk as Lawrence removes his sword from her gaping rectal maw. Later, a slave played by Brigette Kerkove services her captor, Kyle Stone, by chuffing his engorged sausage. Stone plows Kerkove's gash, then slides into her shitter as if it were a comfy slipper. Unfortunately, these shining examples of ass acting can't keep the otherwise tepid flick afloat. Julie Meadows's anticlimactic final fuck, a dull catfight turned lesbo snore, and an oxymoronic, two-person orgy make the rest of *Gladiator* a colossal letdown. ***—N. V.***

Slumber Party #15

Directed by uncredited.
Starring Samantha, Holly, Adriana Sage, Misty, Kitty Marie, Jesse, Eve and Tabitha.
Videocassette: Odyssey Group Video.

Slumber Party #15's Kitty Marie is a holy fucking terror with a strap-on. The pint-sized pixie reams her playmate, Holly, with the skill and ferocity of a veteran swordsman, sending her devastated fuckmate into screeching, orgiastic spasms. Even with Adriana Sage's stunning quim present, all eyes are on standout Kitty as she wins the messy pie-eating contest and climbs into a zero-gravity harness for a reciprocal dildo-fuck with Holly. The slumber-party denizens indulge in other parlor games, such as ascertaining how many fingers will fit into a single cooch and pouring cold soda on a raw clit. The laid-back atmosphere enjoyed by these horny young tramps ensures that nobody feels left out, including the lucky viewers who slip *Slumber Party #15* into their VCRs. ***—C. T.***

Hot Bods and Tailpipe #17

Directed by Stoney Curtis.
Starring Sabrina, Stevie, Nina Whett, Aliya Yi, Wanda Curtis, Giana, Jade Marcela, Kiki Daire, Mark Davis, Pat Myne, Valentino and Lexington Steele.
Videocassette: Celestial Productions.

Cars take a backseat to cunt in *Hot Bods and Tailpipe #17*. With the latest installment of his wheels-and-squeals series, director Stoney Curtis hits on a perfect formula for his smut scenes: Keep the girl-to-boy ratio at a healthy 2 to 1, and make sure every segment delivers anal sex and facial pop-shots. The expensive cars Curtis uses as backdrops are mere garnish. Giana shivers behind the wheel of a Mustang before retreating inside to find Euro-whore Wanda Curtis gobbling Valentino's crankshaft. The stud pounds both cunts, then slides his rod into Wanda's shitter. Once Wanda's sphincters are sufficiently reamed, Valentino pulls out and douses both babes with ball batter. High-octane sex and hetero-friendly girl counts make *Hot Bods and Tailpipe #17* a killer ride. ***—N. V.***

Beauty School Cockhound

I live in an efficiency apartment two blocks from Junior Tech Community Vocational College. Many pretty young women between the ages of 18 and 25 attend Junior Tech after graduating high school to study for careers as retail managers, dental assistants and cosmetologists. I enjoy taking my morning Sanka at my third-floor window and watching the coeds walk purposefully by, their smooth, feminine arms encircling textbooks with titles such as *Nail Structure & Acrylics* and *The Customer Is Always Right*. I can see down their shirts from my window; it's remarkable how pert and round their breasts are.

Each morning, after my Sanka, I gather up a few magazines, perhaps a copy of *People* and the latest *Car and Driver*, and stroll to Walter Common, an idyllic park that just happens to face Junior Tech. I locate a bench with a view of the Beauty Arts building, relax with my periodicals and surreptitiously gawk. Creepy? Yeah, maybe, but I only look, and politely so—I never bother the girls; they have an education to think about, and certainly don't need some man troubling them for a date—but occasionally, one will approach me. It isn't that amazing; I'm really not a bad-looking guy.

One lovely young woman approached me last week as I perused the *People* "Style Watch" column. She was large, voluptuous, full-lipped and dark-haired. This girl had the kind of hips a man could really hold onto.

"Hello," the enchanting stranger began. "Do you got a quarter?"

Her lipstick was deep red and smeared, ever so slightly, across her chin; her untamed, chestnut curls twisted in all directions from her pretty head. I found her dishevelment frank and charming, and was deeply flattered that such an exquisite creature would deem to speak with me.

"I certainly do," I smiled, fishing into my pocket. "Short on change for the vending machine?"

"Beauty Arts building," she nodded, apparently confused, while tugging her fingers. "I study hair."

"That's fantastic!" I declared, handing her a quarter. She snapped the coin from my hand and stuffed it into the deep pocket of her large, floral smock.

"You got a dollar?" my new friend asked. Poor thing—a starving student.

"Tell you what," I said, "why don't I take you to the Sonny's Fry for a hamburger? We can talk."

"Thank you, no," she shook her head. "You got a dollar? Or, look—for $10, I'll suck your dick."

I was taken aback, but it was difficult to refuse such an offer. Ten bucks for a blowjob? Not bad.

"All right," I shrugged, "but at least tell me your name."

"Darlene," she said, hurrying toward the park restroom. "We'll go into the ladies' room."

The lavatory reeked of urine and stale menstrual blood. Darlene herded me into a stall and bolted the door shut.

"So, how do you like school?" I inquired cheerfully as Darlene squirmed out of her smock. Her breasts were huge, barely contained by a stretched-to-the-limit, translucent white bra.

"S'fine," she mumbled, impatiently unbuckling my khaki trousers. "Titty-fuck."

Darlene wrapped my dong in her massive teats. The skin mountains stiffened my peter. I bucked tentatively, careful not to be too aggressive, since I was really only supposed to be given a blowjob.

"Good boy," Darlene huffed, shaking her knockers in her palms and battering my stick.

"May I touch them?" I inquired of Darlene's sacks. The generous woman nodded her head vehemently. She certainly was a sport. I placed my hands on the warm mounds of flesh and

"You got a dollar? Or, look—for $10, I'll suck your dick."

squeezed gently. So soft! I crouched down and took a massive nipple into my mouth, rolling the fat nub across my tongue and nibbling softly. Darlene tittered and slapped me hard with her other breast. My ears rang. I released Darlene's teat from my lips and buried my noggin in her cleavage. She squeezed my head in her bosom so tightly that I could not breathe. I raised my hand, pleading for mercy. Darlene shook me loose; her fat mams boxed my ears as I sputtered for air.

"Stand up," Darlene panted, her forehead glistening with sweat. I rose; she swallowed my peen with her hot mouth and slowly licked my shaft before poking my peehole with the tip of her tongue.

"Pre-cum," she noted with a guttural giggle. Darlene drew my wang down her throat, half-inch by half-inch, until my wad was lodged in her gullet, being lovingly massaged by dozens of throat muscles.

"My goodness," I declared, gripping Darlene's dark curls and a rusty toilet-paper dispenser for balance. My balls were growling and bouncing in my shorts like Mexican jumping beans. *Slurp. Slurp. Slurp.* Darlene didn't quit, not even to rest her jaw. Sparks popped in my head.

"Oh, my!" I yelped as my nuts erupted. Hot spludge splattered out of my pisser and coursed down Darlene's throat. She didn't even need to swallow; I shot straight into her belly. I deployed my last jizz jet and lost my balance, falling back on the toilet, catching my breath on the dingy seat. Scrawled on the stall wall in black magic marker was a message: DARLENE IS A FILTHY COCK-SUCKER. *Well, I'll be,* I thought.

Darlene slipped back into her smock and left the stall to wash up at the sink. Her lipstick was smeared all over her chin now. She dabbed at the mess, but most of it remained. I buckled my pants and handed the clown-faced dong huffer $10 on my way out the door.

"Now, I hope you're planning to spend that on lunch and some school supplies," I said.

"*Mmhmm*," Darlene replied. "See you around."

"I can't wait for you to cut my hair when you've earned your certificate!" I cheered. It feels mighty good to lend a starving student a helping hand.

I grabbed my magazines and headed home. It was almost time for *Leeza*.

All-Girl, Wanna-be Star Fuckers

My name is Suzette. I live in a cramped Manhattan apartment with two roommates, Pam and Mandy. We are aspiring actresses. Someday we'll hit it big on Broadway—our exceptional beauty, sparkling wit and great racks virtually guarantee success—but the road to stardom is long and hard. I'm very grateful that we have each other when times are lean (which is pretty much always). If I didn't have Pam and Mandy to eat my cunt and lick my tits after a harrowing day of failed auditions, I don't know if I could carry on.

I was awfully bummed last week after being cut from a callback for *A Chorus Line*. I came home and ate half a gallon of rocky road ice cream. "I don't care if I bloat up big as a house," I sobbed dejectedly. Mandy walked in and found me hunkered in a beanbag chair, my face swollen and stained with tears and chocolate. Mandy had been at the gym; her big tits were strapped into a jog bra, and her wavy, blond hair pulled back with a pink scrunchy.

"Poor Suzette," Mandy cooed, chucking the empty carton of ice cream and pressing my head to her breast. "Those bastards wouldn't know real talent if it chomped them in the ass."

"It's because I hit a flat note in 'At the Ballet,'" I sniffed. "I should just give up."

"Suzette Jeanine, that is utter nonsense," Mandy scolded. "Now, suck Mandy's titty. You'll feel better."

Mandy unzipped her jog bra. Her full breasts leaped forward; I wiped my tears on her boob as I sucked her hard, pink nipple.

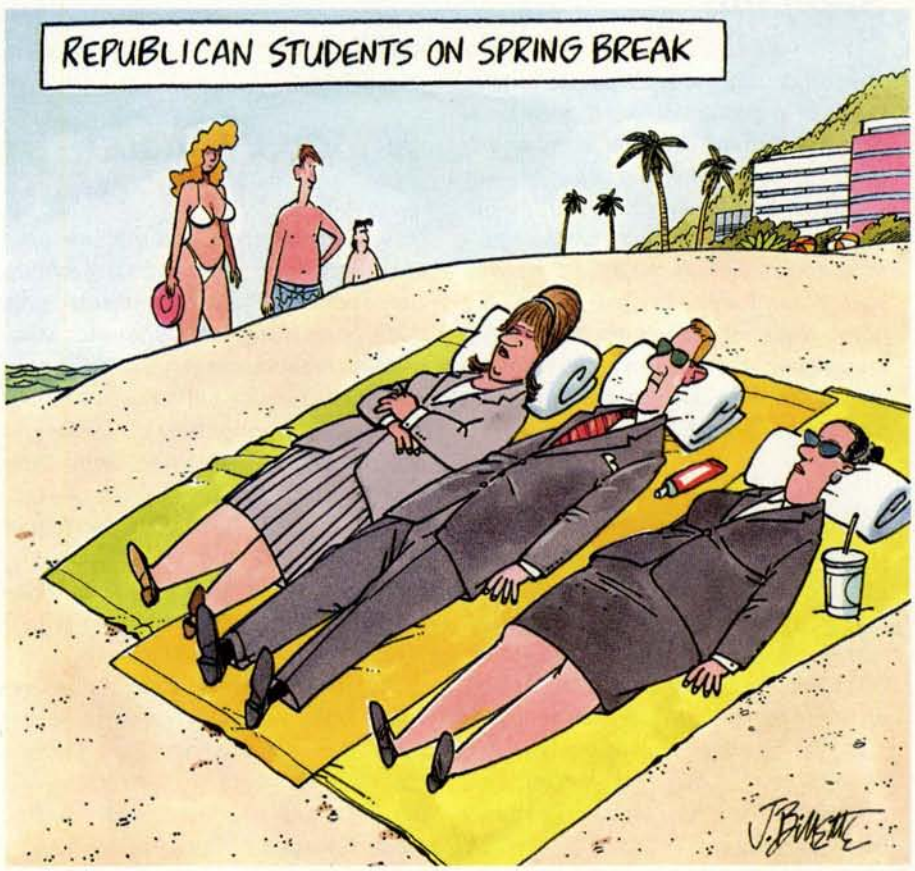
"Good girl," Mandy sang, stroking my dark hair while sliding her other hand under my denim miniskirt. Her smooth fingers crept into my powder-blue, satin panties and tickled my clean-shaven labes. My tension began to melt away.

"Pam should be home soon," Mandy chirped, slithering out of her gym shorts and straddling me. "We'll fix you right up."

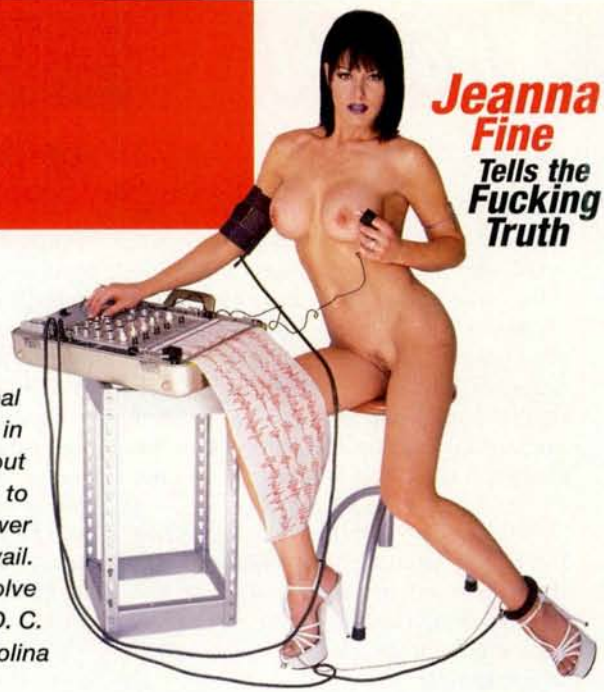
Mandy pressed her moist pussy against mine. Our slick coochie lips kissed hard and wet. I thrust my tongue into Mandy's sweet, warm mouth. She reached under my white T-shirt and massaged my ripe, navel-orange-sized mams.

"Well, looky here!"

It was Pam, home from her lunch shift at Tad's Diner, still dressed in her pink waitress uniform (just like the ones the girls wore on *Alice*). *(continued on page 123)*



Dear Slut



Jeanna Fine Tells the Fucking Truth

Head vs. Cunt

When I slide my cock into my girlfriend, it never feels as good as a blowjob. Vaginal sex always makes me come, but I would prefer to receive good head any day. I always satisfy my woman's needs, but never feel 100% taken care of. Do you have any suggestions as to how I could better enjoy pumping pussy? —B. G.
via Internet

Too many couples become trapped in by-the-numbers sex routines. If you think blowjobs are a blast, ask your mate to add some variety to your fuck sessions by ending the evening's festivities with oral. There's no law on the books that says screwing must end with an internal cum-shot. Keep satisfying your girlfriend, and she should have no problem making sure that you're taken care of as well.

Sleeping Booty

The other night I hooked up with a chick at a party. We were both piss-drunk and stumbled back to my apartment to fuck. Halfway through our session, she passed out, even though my cock was crammed up her ass. I finished up, tucked her in and went to bed. When I woke up, the souse was gone. Now her friends are saying that I raped her. All I did was finish what we already started. Jeanna, did I rape this narcoleptic bitch? —S. T.
Dolton, Illinois

Different states have different laws with regard to rape. No matter where you live, use common sense and avoid situations that could land you in the slammer. Drugs and alcohol can easily lead hapless horndogs into trouble. Your situation teeters on the fine line between consent and sketchier territory. Hook-ups are always better when the brain, heart and cock are unclouded. From now on, keep it zipped when you're ripped.

Tired of Turd

My wife and I both love anal sex, but every time I fuck her in the ass, my dick comes out covered with shit. I tell her to wipe better and take a shower before we screw, to no avail. Jeanna, what can we do to solve this stinky situation? —D. C.
Lenoir, North Carolina

C'mon, shithead, think for a minute. The crap isn't on the outside of her ass; it's all on the inside. Wiping just isn't gonna cut it. Most porn stars give themselves a thorough enema the day before an anal scene, but your wife can use the butt-washer like a douche in a pinch. Neither a hard-core flush or a quick splash is going to guarantee a poop-free screw. The muscular contractions that go along with a good butt-fuck can easily conjure more stool from the lower colon. A little scat is a recreational hazard that all rump rangers have to learn to deal with.

Whoops, Upside Your Head

I love sucking cock, and my boyfriend loves shoving his prick into my mouth. Sometimes my lover likes to smack his cock against my tongue; on occasion he even whacks my face with his meat mallet. It doesn't bother me any, but I'm just wondering: Why do dudes get off on slapping women with their tools? —A. Z.
New Fairfield, Connecticut

It's a power thing. The sad truth is, when some men have their best friend in their hand, many of their social graces and sensitivity are instantly deep-sixed. If your lover is the kind of dude who always tries to start fights after seeing kung-fu flicks, perhaps you should cut back his smut intake—he may be imitating his favorite porn studs. If these dick-slaps become tedious, keep a rubber dong under the mattress. A retaliatory cold-cock with a latex 12-incher will house-train him in no time.

Hard Day at the Office

I have a huge problem with my hard-on—it keeps popping up at the most inopportune times. My schlong has leaped to life in church, at the gym and, once, in front of my boss and coworkers at a meeting. I've tried thinking about baseball and my dead grandmother, but none of those methods work. How can I keep my prick on a leash? —K. D.
Duluth, Minnesota

The UB, or unwanted boner, plagues almost every man from time to time. Switching from boxers to briefs can help keep your package snug and restrain errant wood, but I have a feeling your stiffies are a response to social taboos. Your subconscious may be telling your peter to jump to attention for the sole reason that work, church and the gym are the last places you'd need a firm prick. Cut your wood off at the pass by whacking off just before your workout, presentation or Sunday sermon.

Dear Slut

"My boyfriend can stuff his saggy ball skin into his ass while he's fucking me. Has he invented a new maneuver?"

satisfying women with my dick before, but my current girlfriend is very overweight and not very limber. Because of this, my joint barely parts her labes. My woman is dying for meat, but I can't give it to her. What should I do?

—E. N.
Ogden, Utah

Rent a couple of pudge-centric XXX tapes and study the pro-stud porking techniques. Rubber penile extensions or a strap-on could give you an extra inch or two, but both will detract from your sensitivity. If you're mechanically inclined, stringing Bessie up might be your best bet. Many sex shops sell ceiling-mounted slings that give fuckers easy access to cunt. For Pete's sake, though, make sure that you anchor the harness to a very sturdy support beam.

Ear, Nose and Deep-Throat

My current girlfriend is a little weird. I used to have to beg my previous fuckmates to let me come on their faces, but this chick lives for sperm on her chin. As a matter of fact, she's always asking me to baste her in ways that kinda freak me out. First of all, she wants me to shoot up her nose, which isn't so bad, because it's really close to her mouth. She's also been asking me to splooge in her ear, which concerns me a little. Can I cause an ear infection or hearing damage by firing sperm into my lover's ear?

—R. S.
Exeter, New Hampshire

Are you sure you're not the first one to splooge there? It sounds like your lover already has cum on the brain. The old saying, "Never stick anything smaller than your elbow in your ear" applies to sperm as well. If she insists on taking ejaculate in these unconventional orifices, be sure that she thoroughly cleans out her cum-clogged passages afterward. If she doesn't, an infection—or worse—could occur, and explaining your problem would be a real embarrassment at the local emergency room.

Around the Cock

What exactly is the purpose of a cock ring? I've heard that they're for prolonging erections, but some people say that they help stimulate the clitoris as well. Also, do those leather straps that wrap around the prick fall into the cock-ring category, or are they something altogether different? *—A. C.*
The Dalles, Oregon

Buttoned straps, rings and the like all fall under the heading of cock rings—male sex aids with the primary purpose of prolonging erections. By holding blood in the prick, a properly utilized cock ring can even sustain stiffness after ejaculation. Incidental clitoral stimulation does come into play on the downstroke when the device bumps against female flesh, and some models come equipped with brushes or buttons that add further spice upon collision. If used improperly, these dick tourniquets can cause bruising, burst blood vessels and severe swelling. Beginners should opt for leather or fabric rings, since metal is pretty hard to cut if the strap starts choking the weasel.

Butt-ing Edge

My boyfriend can stuff his saggy ball skin into his ass while he's fucking me. He calls the move "Two in the Trunk." We've never heard of or seen this technique done before. Has my boyfriend invented a new maneuver? *—E. D.*
Paducah, Kentucky

I suppose that you *can* take credit for this creative use of excess nut sac. Personally, I'd be careful who you go bragging to.

Jeanna Fine

At seven o'clock sharp on a frigid Monday morning in December, the blare of an alarm clock blasts Charles out of a deep slumber. *Outside, a steady downpour drenches Queens Boulevard. A raging hard-on conspires with force of habit to draw the groggy 32-year-old out of bed. Charles takes a piss and a quick shower, throws on a suit and tie, slicks back his hair and tosses back a scalding cup of coffee. Lastly, he winds a dozen layers of plastic wrap around his penis.*

The Manhattan-bound F train is packed full of New Yorkers on their way to work. Charles jostles his way up and down the length of the crowded train until he spots a busty Latina standing by the doors of a middle car. Perfect, he thinks, squeezing past lead-footed straphangers until he is standing directly behind his prey. Anticipation stiffens an erection in the pervert's pants; he closes in on the unsuspecting female and presses his Saran-clad bone against her ass. In the jam-packed car, she doesn't suspect a thing.

At the last stop in Queens, another load of commuters boards the already overcrowded car. Charles pumps his hips gently in the commotion. He pulses on the verge of ejaculation when the stranger turns her head and glares at him accusingly. Charles shrugs his shoulders. "There's no room," he pleads. Suddenly, the train rocks to one side for a sustained turn, pushing Charles's straining boner against his victim's firm ass flesh; he releases a wad of cock snot into his pants. The automatic doors open in Manhattan, and the nine-to-five masses pour upstairs to work. Charles crosses the platform and heads back to Queens Boulevard, where his warm bed awaits.

In the world of fucking, those who can, do. Those who can't surreptitiously grind against strangers on the subway. Psychiatrists have dubbed this fringe-sex perversion *frotteurism*, after the French verb, *frotter*, "to rub." According to the Diagnostic and Statistical Manual of Mental Health Disorders (DSM-IV), a frotteurist suffers from "recurrent, intense, sexually arousing fantasies or behaviors involving touching and rubbing against a nonconsenting person."

"Part of the excitement comes from the risk of being caught," says Jack Porter, a professor of psychology at Westchester University in Pennsylvania. "The more forbidden the act, the more desirable it becomes."

Frotteurists are particularly active in sports stadiums, shopping malls, theaters and crowded bars, where cheek-to-jowl conditions provide perfect cover for their sneaky urges. Also ideal are rock concerts, especially toward the stage area.

"Sexual assault is not uncommon in mosh pits," says Paul Wertheimer, head of Crowd Management Strategies, which provides safety guidelines for concert promoters. "What would not be allowed on public streets is allowed at concerts."

Groping strangers is a common enough prank among teenage boys acting on a double-dog dare, but there's a clinical difference between a pimple-faced horndog who dry-humps a babe at a Korn concert and a true frotteurist.

"On the one hand are the opportunists—guys who act in the spur of the moment," says Dr. Susan Wiesman, a psychiatrist who counsels sex offenders in New York City. "At the other end of the continuum, we've got people who are restricted in what they can cope with sexually, and the only thing they can manage is rubbing against someone who is unconsenting or unaware. They tend to be people who have difficulty with relationships."

Butt rubbers, along with ass grabbers and boob honkers (*toucherists*, to mental-health professionals), are particularly active in crowded subway cars. Kathleen Connell, a Web site designer in New York City, was happy to take the subway to work until a fellow passenger jacked off all over her coat.

"It was crowded, and I knew someone was close to me, but I didn't know what he was doing until he backed away from me, and smiled this kind of sick smile," Connell recalls. "He wanted to make eye contact. Then I noticed my coat was wet. I threw away the coat."

"George," who was a New York City subway menace for nearly a decade but

"I'll find a hand reaching under my skirt, and most of the time, I just try to push it away," says Keiko Okada. "Sometimes, I just freeze."

is currently under the care of a psychiatrist, speaks with HUSTLER on the condition that his identity, and that of his therapist, be kept confidential.

"I used to ride during rush hour and look for a girl with her back to me," George says. "I'd inch along the car until I was standing behind her, and I'd let the crush of people push me against her. At first, I wouldn't move—I'd just let the movements of the car do all of the work. If she didn't say anything, I'd push it more and more until I came."

George says he began his career as a sexual harasser by making obscene phone calls, then graduated to laying hands on passersby and, eventually, full-on frotteurism.

"I would resist the urge to do it, and then I wouldn't be able to hold out anymore, and I'd do it," George says. "I felt like I was sleepwalking."

In Tokyo, where 3.5 million people ride the subway during the morning rush hour, toucherists and frotteurists, known as *chikan*, are particularly active; one *chikan* has gone so far as to publish a how-to book for would-be molesters. Some subway stations have set up underground offices to provide counseling to groping victims. About 80% of women surveyed by the Japanese government in 1997 said they had been inappropriately touched on a train at some point in their lives.

"Yes, it happens to all my girlfriends—usually on one of the long tunnels between stations," says Jane, a 34-year-old teller at an American bank in Tokyo. "It's embarrassing, but if it isn't serious, it's better just to forget about it."

Keiko Okada, a student at Tokyo University, says that there is not much a girl can do when a pervert grabs her in a packed subway car. "I'll find a hand reaching under my skirt, and most of the time, I just try to push it away," says Okada. "Sometimes, I just freeze."

The Keio Electric Railway, one of more than a dozen commuter railways serving Tokyo, received 351 groping complaints in 1999, up from 276 the previous year. In response to this trend, Keio, which runs from central Tokyo to the heavily populated western suburbs, reserves cars for women only and assigns a complement of male guards to keep men out.

Hong Kong also has an extensive subway system, along with a stubborn rash of grope-and-run assaults. Police teams, officially called "district action squads" but known informally as "grope squads," mix with the subway system's 2 million daily commuters in an effort to stamp out ass grabbing.

"I just can't help thinking that maybe, just maybe, Hitler was really some enormous asshole."

"It is an offense that we take seriously," says Senior Superintendent Iain Grant, who heads the colony's subway police. Grant sends as many as 50 officers, both plainclothes and uniformed, into the tunnels with instructions to move in when they see a grope or hear a shout.

Dr. Kurt Freund, a behavioral sexologist at the Clarke Institute of Psychiatry in Toronto, Canada, was one of the first mental-health professionals to carefully study frotteurism. Freund, who began researching the subject in the mid-1960s, observed that many of his patients who enjoyed rubbing their cocks against strangers also enjoyed exposing their genitalia in public. The doctor grouped frotteurism, toucherism, exhibitionism and making obscene phone calls together under one heading, "courtship disorder," which is caused, he theorized, by the failure of the mechanism that coordinates normal human mating behavior.

"We all have unconscious rules about how to approach someone we're interested in," says Anthony Macklow, a forensic psychiatrist and author of *Improper Attractions*, a book that compiles case studies of pedophiles. "These individuals have no sense of that. They go from step one to step ten. These guys are lonely guys, inadequate guys."

Mental-health professionals focus on the underlying causes of courtship disorders, but law-enforcement officials see criminal behavior deserving jail time.

In 1996, the New York State legislature passed the Sexual Assault Reform Act, increasing the criminal penalties for "forcible touching." Previously, those who repeatedly molested women in subway trains were guilty only of a low-grade, class B misdemeanor, regardless of how many times they committed the offense. Under the new law, first-time offenders receive up to a year in jail. An ass grabber or genital grinder who is nailed three times in a ten-year period could face felony charges.

Not all states are as precisely legislated as New York. A toucherist or frotteurist who is caught red-handed—or red-crotched—in the other 49 states can be charged with a variety of offenses, including lewd and lascivious behavior and indecent assault and battery.

"It's hard for me to understand this stuff as being a crime," laments George, the onetime scourge of the New York City subways. "If a woman came up behind me and rubbed up against me, it would make my day. [If] I do it to the wrong lady, I wind up in jail."

Cautionary Tales From Nico Winetrappe

Psycho Ex-Girlfriends

On the two-week anniversary of their breakup, Tom Baker's ex-girlfriend, Michelle [names and defining details have been changed throughout this article], parked her car outside Tom's house, pulled an X-acto blade from her purse and began carving his initials into the fat of her palm.

As the veins snapped, blood surged to the surface and covered the cuts. Frustrated, she broke down in a shivering mass of violent tears. She had tried everything to win Tom back, but nothing had worked. *Maybe I should slit my wrists,* she thought, *and show that bastard who he's fucking with.*

Suddenly, Michelle was blinded by the headlights of Tom's car as it pulled up on the other side of the street. The lights shut off, the doors snapped open, and Tom emerged—with another woman. The lovers playfully giggled and groped each other under the streetlight.

This scene was too much for Michelle. She threw her Honda into first gear and stomped on the gas, steering right for the happy couple, blaring the horn like a freight train. Tom and his date threw themselves onto the wet grass.

"*Pig-fucker!*" shrieked Michelle, holding her blood-soaked hand, middle finger extended, out the window as she tore across the front yard, taking out the neighbor's mailbox in the process.

"Thank God she's such a shitty driver," Tom now reflects. "Otherwise, we'd be dead."

Everybody's heard a frightening psycho ex-girlfriend story—from the classic *Fatal Attraction*-style tire slasher to the modern-day e-mail bomber—but most men regard these tales as part of the relationships-gone-awry folklore until the cautionary tale hits home.

For some women, a relationship is the pin that holds them together. Like a grenade, once that pin is pulled, everything around them blows to shit.

For some women, a relationship is the pin that holds them together. Like a grenade, once that pin is pulled, everything around them blows to shit.

"Women are creatures of emotion," says a clinical psychiatrist practicing in suburban Maryland. "During a pleasant relationship, a woman's brain emits pleasurable chemicals that keep her afloat. Once they fall in love, some women become hooked."

Conversely, when a woman's supply of this powerful love dope is cut off, she can become as desperate as a crack whore in a convent.

"Some women become emotional junkies," agrees a neurological researcher in Dallas, Texas. "It can take years, even a lifetime, to come up from the effects of love withdrawal, particularly for those already prone to depression or anxiety.

"Women make a spectacle out of their pain, while men tend to hide it," adds the researcher. "Men often keep their feelings inside and end the relationship with little warning. That jolt out of nowhere is often the moment of critical mass for the woman's psychotic behavior."

Whether that means taking her anger out on her ex's new girlfriend or spreading vicious rumors about him all over town, a psycho-ex will do anything she can to feel better, often with absurd results.

"I was sitting on my bed, hugging his pillow, dreaming up ways to get my boyfriend back in my arms," says Sandra Kent, an artist and admitted psycho-ex from New Jersey. "I couldn't live without him." Soon thereafter, Kent realized that, with a little creativity, she didn't have to. Her ex, in a hurry to escape, had left behind many of his belongings. Crafty Sandra put one of his dress shirts over a pillow, broke out her sewing kit and fashioned two more pillows into some semblance of a body. The demented seamstress put a pair of pants on her fluffy effigy and sprayed "him" with her ex's cologne. She slept with her creation that night, wallowing in the delusion that they were back together.

Sandra was happy with the feather-filled version of her cheating ex "until I saw [her flesh-and-blood former beau] making out with his new girlfriend," she admits. "That's when it struck me how lame I was being." Dashing home, she took the replica from her bed and doused the effigy with lighter fluid. Kent then drove the surrogate lover over to her ex-boyfriend's house and lit it on fire in his driveway, burning her thumb in the process.

Though Sandra now claims to be in a healthy relationship with a new guy, she admits she can't expel her ex from her mind. "I still think he's gonna come around one day," the jilted puppeteer says defiantly, looking *(continued on page 78)*

While some ditched women desire to get back with their men, others prefer to get back at them. Obsessed with making their former loves feel their pain, they take any measures necessary to avenge romantic slights, real or otherwise.

Chris Ford, a university student from Worcester, Massachusetts, was home from college, sitting with his family and talking about his studies. He looked out the window and saw an ex-girlfriend scurrying along the sidewalk toward the house with a rock in her hand. The whole family watched as she took aim at the house. Rearing back, she attempted to hurl the stone through the living-room bay window—the rock landed 20 feet short. She picked up another rock and tried again. This one bounced off the front porch and rolled harmlessly under the steps. Apparently unaware that she was being watched, the rejected lover then went up to the porch and spray-painted an obscenity on the door.

"We went out in the ninth grade," says Chris. "I took her to a dance; we fooled around a little. She blew me after school one day. Nothing big. I dumped her for an Asian chick and moved on. She's still stuck in the same small town, and blames our breakup for her life going nowhere."

Many women attempt to fill the void in their hearts by plugging the chasm in their crotches. Sometimes a spurned broad will become a pathetic whore, accosting her ex's buddies and offering her body as a game board on which to play out their twisted fantasies. Others go on a wild sex spree, fucking and sucking anyone who comes their way.

Sometimes a spurned broad will accost her ex's buddies and offer her body as a game board on which to play out their twisted fantasies. Others go on a wild sex spree.

Even more troublesome is when a woman can't find fresh dick after a breakup and calls her ex to borrow his. Men often give in to the temptation of a "no-strings-attached" porking and end up hanging themselves with their own indiscretion. When his ex-girlfriend called him saying she was horny for his "big mulatto cock," Charles, a 31-year-old salesman from Brooklyn, New York, thought he'd squeeze in one last fuck with her before he moved on to the next piece of ass.

Charles hopped into his car and was at her place and in her pants within minutes. He fucked her in every position—sort of a farewell smorgasbord—before coming up her snatch and making a quick exit. Three weeks later, Charles received a call. "I'm pregnant," his ex informed him from a health-clinic pay phone. With the help of the Empire State's paternity laws, Charles's ex-girlfriend found a surefire way to keep him in her life for the next 18 years.

How does a guy know if his girl will turn psycho after he dumps her? There are a few foolproof indicators, and warning signs abound. "A telltale omen is if she seriously trashes her previous boyfriends," cautions a Hollywood, California, publishing executive who has observed this pattern in more than one vengeful ex. "If she hates them, you can imagine how she'll feel about you when your relationship doesn't end happily ever after. Don't think, *But I'm special*. You're not. If she boasts of the sick methods of revenge she exacted on some 'shit-licking' boyfriend, consider what she'll cook up for you as a parting gift."

"Don't be afraid to snoop around her house," suggests Paul Koffman, a 32-year-old concert promoter from Austin, Texas, who has suffered numerous psycho-exes in his lifetime. "I once found a picture of my girlfriend's ex-boyfriend with the words DIE SCUM scrawled in blood across his face. Check her medicine cabinet for mood-stabilizing prescription drugs. Try not to be a teenage girl's first love or a desperate middle-aged woman's last. Also, if the woman celebrates monthly or, God help you, weekly anniversaries of your first date, you are dead meat."

"Look for worn-out romance novels and extensive scrapbook collections," says Jon Watts, a Manhattan-based, self-styled relationship guru for men. "Beware of sappy sentimentalists. Once these girls get their hooks in, they start building their futures around their man. It's the mating-instinct overload." A woman who can't throw anything away, Watts cautions, is a ticking time bomb for the man unlucky enough to "win" her love, then break her heart.

"Why, yes, I <u>am</u> a Republican—how'd you guess?"

Psycho Ex-Girlfriends

City, New Jersey, dumped his girlfriend, Seana, her initial reaction was typical of a scorned woman. She talked shit about him to other girls, slashed his tires and called him at all hours, cursing and screaming into the receiver. In one hour, Ron counted 65 calls.

At first, Ron tried to ignore his mentally ill ex, hoping she would eventually give up. But as the days went on, events spiraled downward. Everywhere Ron went, Seana was there. She sent racist letters to all of his neighbors, signing them with Ron's name and dotting the *i*'s with mini-swastikas.

On Halloween night 2000, Ron was sipping a beer in his kitchen when the doorbell rang frenetically. Realizing it was too early for trick-or-treaters, Ron feared the worst. He checked the peephole and spied a gruesome monster with bloody hair and half a face. *I'm in luck. It's just a greedy candy fiend,* he thought. *What a scary costume.*

He grabbed a handful of candy corns from a plastic pumpkin and opened the front door. "Happy Halloween!" he said in his best spooky voice. The figure made no move and had no bucket for candy. A drop of blood ran off the hideous creature's chin and splattered onto Ron's welcome mat.

As Ron began to accurately assess the situation, his head throbbed with fear. *This is no ordinary monster,* he realized. *This is Seana, minus a good chunk of her face.*

While bloody bubbles formed above her gums, Seana explained how, in one last desperate act to prove her love for him, she had gone into a stairwell and thrown herself down a flight of concrete steps, somehow believing that, if her love were true, her body would take off in flight. Her body flew all right—straight down, ending up in a broken heap at the foot of the stairs. The obsessive ex pulled herself up by the banister, limped across the landing and hurled herself down the next flight, just to prove that she "still believed."

Seana explained how, in one last desperate act to prove her love for Ron, she had thrown herself down a flight of concrete steps.

The deranged ex had tissue avulsions and bruises along her spinal cord as well as deep scalp lacerations. Her jaw was fractured. She had broken two front teeth and bitten off a piece of her tongue in one of the falls.

Ron wrapped a bath towel around Seana's busted head and rushed her to a trauma center. As Seana was wheeled into the operating room, something strange happened: A nurse bent over the gurney to hear Seana's bloody whisper. With what remained of her strength, Seana raised her finger and pointed at Ron. The next thing Ron knew, two brawny doctors and a stocky orderly surrounded him. "Do yourself a favor and stay there," one threatened. Ron tried to walk away, but the medical goons tackled him and held him facedown on the cold hospital linoleum until the cops arrived.

Ron's court-appointed lawyer didn't even want to touch the case. A jury would have to believe Ron's story over that of a seemingly innocent, battered young woman. The DA agreed to drop the attempted murder charge if Ron copped to assault. Realizing that his own lawyer doubted him, Ron pleaded no contest to a crime he didn't commit.

"When it's a man's word against a woman's, nine times out of ten, a man is gonna lose," notes a New Jersey attorney specializing in domestic-violence cases. "Actual evidence is an afterthought. Abuse is whatever she says it is. You don't even have to touch her to be charged with domestic violence. All she has to do is imagine or even interpret your words or actions as threatening to her. That threat could be anything from pounding on a wall in the midst of an argument to withholding grocery money from her. [Abuse claims are] the great equalizer."

Though well-intentioned, domestic-violence laws make wreaking vengeance easy for a raging ex-lover. In Oregon, even if a guy had fucked a gal only once, any fighting between the two can qualify as domestic violence. In California, especially in the wake of the O. J. Simpson trial, police are encouraged to make an arrest any time they are called to a domestic-violence situation. Worse, police are not instructed to arrest the person who initiated the fight, but the "dominant aggressor."

"All a woman has to do is say the word. From there, she's assisted, given a place to live, free legal help, everything she needs, while the man is left to defend himself," says the New Jersey attorney. "When abuse is perverted through such well-oiled semantic machinery, sometimes there's nothing *(continued on page 118)*

Bob Hope was on *The Oprah Winfrey Show* bragging that, despite his 97 years, he could still have sex three times a night. After the taping, Oprah said, "Bob, if I'm not being too forward, I'd love to have sex with an older man."

They went back to her place and fucked like monkeys. Afterward, Bob said, "If you think that was good, let me sleep for a half hour, and we can have even better sex. But while I'm sleeping, hold my testicles in your left hand and my penis in your right hand."

Oprah looked a bit perplexed, but complied. Bob slept for half an hour, awakened, and they had even better sex. Then Bob said, "Oprah, that was wonderful. When heavy-petting animal lovers say they want to **fuck beaver, eat pussy, suck cocks or bang hot bitches,** *they aren't speaking euphemistically. Zoophiles bark about their favorite creature comforts.*

Animal Attractions

For as long as she can remember, Justine, a 37-year-old Seattle resident, has had sexual longings for dogs. At age 19, while house-sitting for friends of the family, opportunity barked. The homeowner's horny hound began humping Justine, rubbing his erect doggy dick up and down her leg. Realizing her dream could finally come true, Justine parted her thighs and let the pooch penetrate her until the beast shot his spunk up the beauty's snatch.

After her first Fido-fucking encounter, Justine lived 16 years of self-imposed bestial celibacy. "I had very mixed emotions about what had taken place," remembers Justine. "I suppressed my feelings and what I had done for many years."

Shamed, Justine thought she was the only one who craved canine cock, until three years ago, when she logged onto the Internet and discovered that others engaged in puppy love. With newfound confidence and a "sweet and loving black Lab," Justine ventured once again into the world of bow-wow lovemaking.

"My [current] male dog companion has really no interest in having intercourse with me," says Justine. "But he often wants me to jack him off. I have on occasion sucked him off as well, which he also enjoys."

When Phillip Buble of Piscataquis County, Maine, was 13, he fell in love with the family dog, a mutt named Taffy. Buble is a 44-year-old, unemployed "zoophile" (the pet name, along with "zoosexual" and just plain "zoo," that modern-day animal fuckers prefer to call themselves). For Buble, sex with animals isn't a casual affair; while he admits to a few one-night stands with dogs, he considers any long-term canine sex partner to be his nonlawfully wedded wife. Currently, Buble is "married" to a 34-pound female mutt named Lady Buble, a Chihuahua/German shepherd mix.

Mule says he'll take horse twat over human pussy any day. "It's definitely not so snug, but a little bit warmer."

Because Buble prefers small dogs, he often finds full penetration difficult. "In Lady's case, I can get the tip of my penis in her, but my favorite is oral sex, both giving and receiving, especially anal rimming. Lady, for example, absolutely loves getting as [far] as she can up my ass with her tongue."

Buble, who puts his personal twist to the expression "man's best friend," is convinced that a dog's pussy is the sweetest-tasting thing on earth. "It's indescribable, and it doesn't smell like fish."

In terms of pooch-pumping, Buble is no homophobe—he doinks male and female dogs with equal relish. "A dog's semen is kind of sweet and sour," he says. The canine-exclusive bisexual enjoys dog cock up the butt, but admits that the unique flavor of mutt anus is an acquired taste.

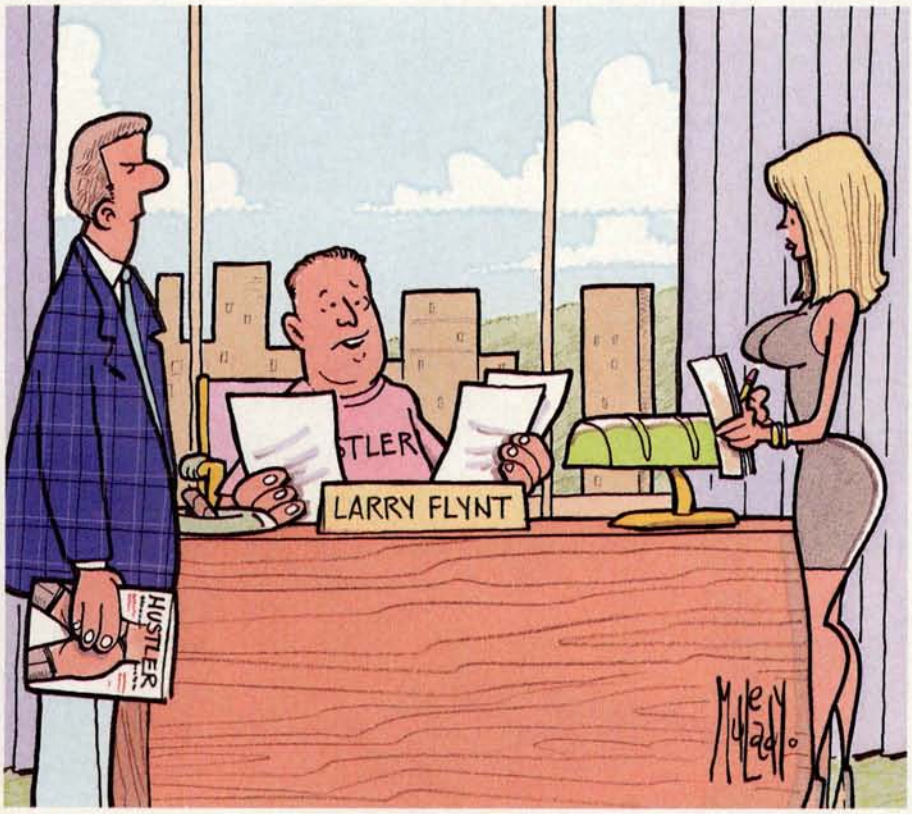
Although dogs are the most popular animal sex object, the species is not alone in attracting human fanciers. A Seattle man nicknamed Mule often stands on water buckets in order to fuck fillies from behind, and says he'll take horse twat over human pussy any day. "It's definitely not so snug, but a little bit warmer [than human pussy]," says Mule. "That's something I really like."

In his "sexual autobiography" *The Horseman*, the late George Willard sings the praises of his horse Cherry's vagina. "She's got that clenching action. It smells and tastes better too. [It has] an earthy, rich, musky aroma."

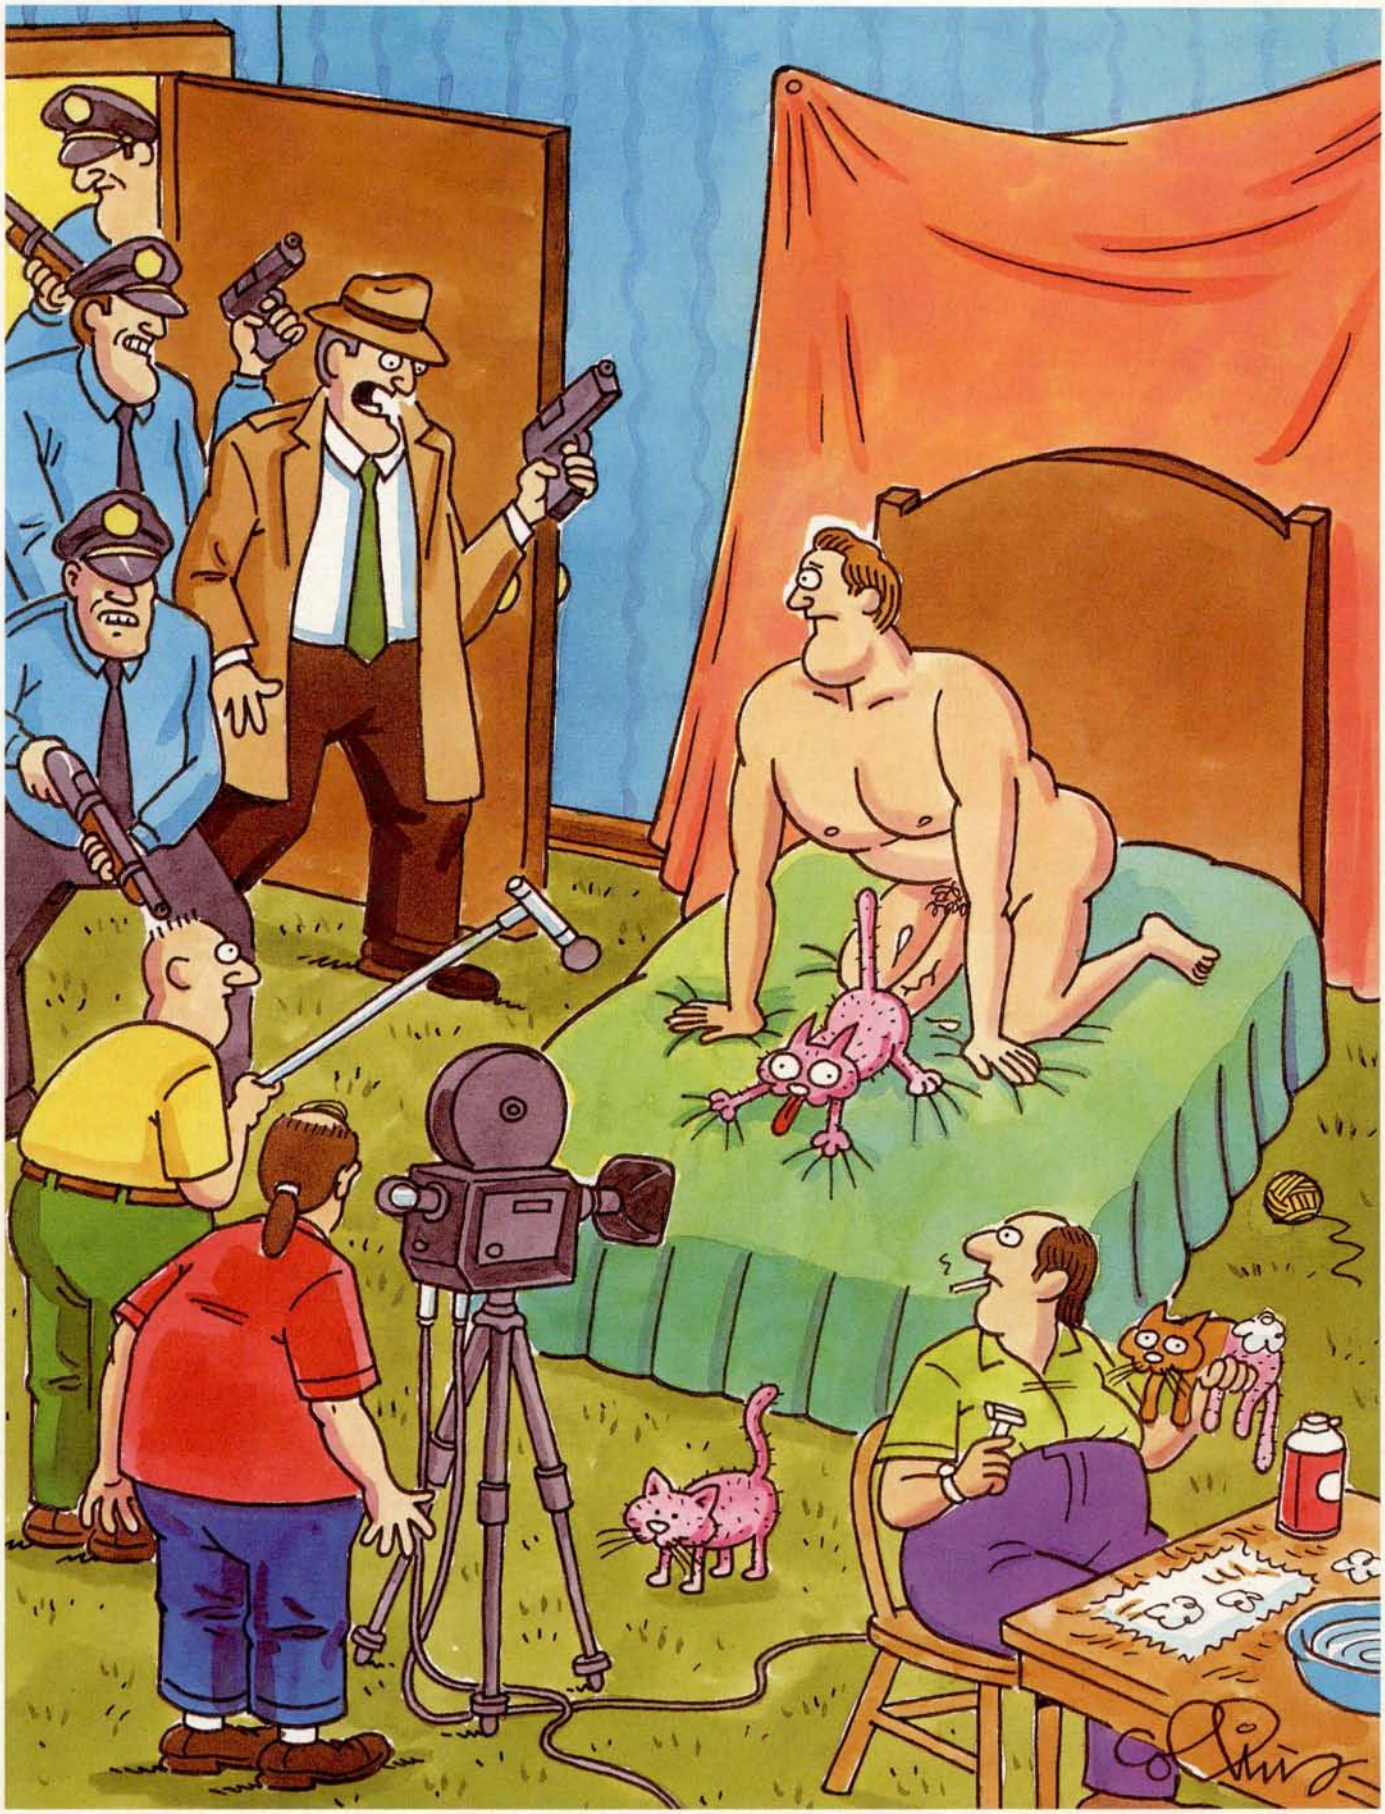
Calafin, a 20-year-old dolphin fanatic from Florida, wouldn't dream of fucking a horse or a dog. "Dolphins are the only ones that are really intelligent enough to have a full relationship with," he says.

Calafin insists that dolphins have the greatest poontang in the animal kingdom. "[Dolphin pussy] is designed so it can handle a member that's larger, but because it's so muscular, it can literally make it tighter than any human [vagina]. Anything a human can do with her hand, a female dolphin can do with her pussy. It's like having a tunnel made of tongues licking at you all at once."

Not all animal fuckers are so species-specific in their passions. Bestial porn star Bodil Joensen, for one, engages in hot sex with many of God's creatures, great and small. Joensen was a farm girl in Denmark who simply enjoyed having sex with her animals. In 1970, in need of money, Joensen answered an ad seeking a XXX model and began posing with her menagerie. Word quickly spread of this woman who fucked dogs, horses and boars in front of the camera. Filmmakers came from all parts of the



"Damn, we're gonna need Bush in the White House for two terms to get to all the Republicans we have lined up for 'Asshole of the Month.'"



"Omigod, it's kitty porn."

world to capture the precious moments, making Joensen an internationally famous porn star.

Many animal lovers glamorize interspecies sex, but when animals attack, zoophilia can be downright dangerous. "I was kicked in the head during an argument between two horses once," says Mule. "I'm lucky to be talking to you right now."

Dog lovers must be careful too. If not, they could be clawed. Pooch-fucking porn actress Chessie Moore (star of *Lucky Dog* and *This Dog Loves to Fuck*) tapes socks over her co-stars' paws.

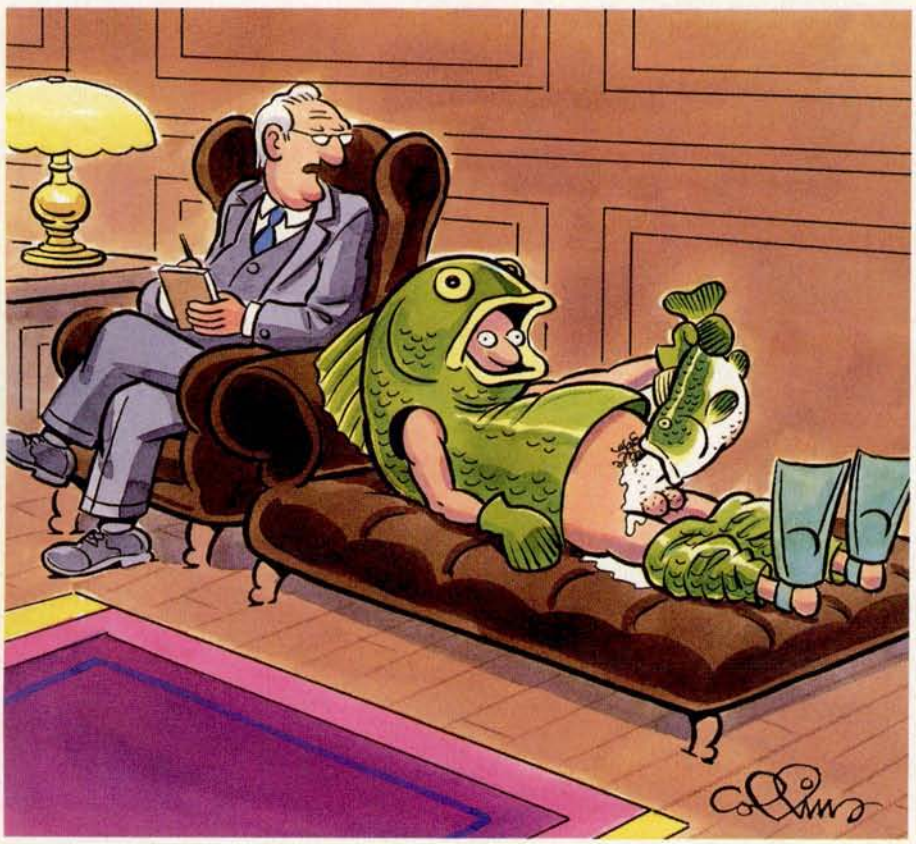
Canine fornication can be more hazardous than receiving a few claw marks, however. Dogs have a knot at the base of their penises, known as the *bulbus glandis*, that expands during intercourse. In dog-to-dog sex, the bulbus glandis creates a genital "lock" and facilitates insemination. During interspecies couplings, the bulbus glandis can wreak havoc: One zoophile was taking his dog's cock up his ass when he heard someone coming up the stairs. He quickly pulled away, tearing open his sphincter muscles.

Diseases are another peril of animal fucking. "While standard STDs—syphilis, gonorrhea, herpes—are human-to-human, not animal-to-human," says a doctor, who wished to remain anonymous, "any zoonotic diseases [those transmitted between animals and humans] that people could get through casual contact with animals, they could also get through sex."

Zoophiles should be particularly careful when eating out animal anuses.

Zoophiles draw a distinction between bestiality and zoophilia. "Bestiality is like rape," says Calafin. "Zoophilia is essentially a boyfriend-girlfriend relationship."

Bestial oral copulators can acquire parasites, such as tapeworms, from their lovers' excrement. Pregnant women, especially, should never perform anilingus on a cat; feline feces can cause toxoplasmosis, an infection that can pass from mother to fetus, often resulting in mental retardation and other birth defects.



"The first step in any successful treatment program is recognizing you have a problem."

Animals can be injured by fucking humans as well. Canine vaginas expand during mating periods, but fucking a bitch during the rest of the year could cause serious harm. Many animals that bestialists lust after are too small, even when in heat, to accommodate the relatively large human phalluses. In his classic book *Psychopathia Sexualis*, Richard von Krafft-Ebing writes of a 16-year-old boy who sodomized rabbits, leaving them with torn rectums. Sometimes animals are injured by the restraints that their human sex partners use on them.

Bestiality has existed as long as man and beast have roamed the earth together, and has been condemned at least as far back as the days of the Old Testament. ("If a man lie with a beast, he shall surely be put to death," cautions Leviticus 20:15.) Today's animal lovers are demanding equal rights, arguing that they are a sexual minority, just like gays and lesbians.

Claire Ponder, manager of the Humane Society of the United States' First Strike Campaign, which is dedicated to ending animal sexual abuse, believes any form of human-beast sex is wrong. "Sex with an animal can never be consensual. The idea that the animals enjoy it, when, in fact, they often suffer substantial injuries or even death, is somewhat ludicrous to me."

Ponder equates interspecies sex with pedophilia, in that animals and children cannot truly give consent. Zoophiles, however, draw a distinction between bestiality and zoophilia. "Bestiality is like rape, fucking an animal, regardless of how they feel about it," says Calafin. "Whereas zoophilia is essentially a boyfriend-girlfriend relationship. One just happens to have a tail, or fur, or more or less than two legs."

A dog lover who goes by the moniker Perrin agrees. "Animals of age, unlike children, are sexually mature. They enjoy sex and have no emotional hang-ups about it. They will not be scarred like a child, and they are fully capable of asking for sex themselves."

Zoophiles contend that consent is given nonverbally, through body language. "If you've ever tried to trim a dog's nails or put a horse into a trailer, you know whether or not an animal is consenting to an activity," says Gary, a 35-year-old engineer from Seattle, Washington, who enjoys masturbating and mounting dogs. "Would anyone doubt that I can know that my dog enjoys being scratched behind the ears and does not enjoy being given a bath?"

"I'm telling you for the last time! Bill doesn't live here anymore! Stop calling this number, Monica!"

Animal Attractions

To avoid trouble, most zoos stay in the closet. "Bestiality won't be accepted by the mainstream in the U.S. in our lives," says Gary. "Keeping a low profile is our best bet for avoiding becoming society's scapegoats."

Phillip Buble did not keep a low-enough profile; when he came out as a zoosexual, his 71-year-old father nearly beat him to death with a crowbar.

"He only got nine months for premeditated attempted murder," says the younger Buble. "But that's okay, because he didn't need a lot of jail time; what he needs is therapy."

While most others would insist that the zoosexuals are the ones in need of therapy, zoos aver that they are victims of a close-minded society that would rather persecute animal lovers than understand them.

"The way we are being treated right now is the way homosexuals were treated back in the olden days," says Calafin. "It's the way African-Americans were treated back before the Civil War. We're just getting persecuted because we're different. And if one of us stands up and says, 'I'm a zoo. I want this law repealed,' you're in the slammer; they'll find some bogus charge to toss you in jail, and once you get in prison, you are dead."

Currently, bestiality is illegal in 24 states, with penalties ranging anywhere from a small fine to 20 years in prison. Legislators in Missouri, Illinois, Nevada, Iowa, Oregon and Maine have all recently introduced anti-bestiality bills.

Greg Myers, a 35-year-old paralegal from Arnold, Missouri, and president of ASAIRS (the Animal Sexual Abuse Information and Resource Site), spends three to four hours a night on the computer, campaigning against zoophilia. "A lot of your old bestiality laws were incorporated under those morality laws or statutes against sodomy that the homosexual community advocates against," explains Myers. "When a legislature takes a sodomy law off the books, what they fail to realize is that they just made bestiality legal in their state."

"It's all right to shove an electric rod up a fox's butt and electrocute it, but if somebody were to walk up to the animal and masturbate it, they would be a criminal."

Even in states without anti-bestiality laws on the books, beast boffing can still result in legal woes. In October 2000, Robert A. Broderson, of Waterloo, Iowa, was arrested for criminal trespass and animal abuse after students of Hawkeye Community College found him hiding in the college's farm hayloft, naked. In the corner was a sheep whose hindquarters were tied up, ready for action. Next to the sheep, police found a blue nightgown. Apparently, the students arrived too late—the college's farm manager examined the ewe and determined she no longer had virgin wool.

Daniel Bruce House, 55, is another animal lover who crossed paths with the law. House, known as "the Carrot Man" because he sold carrots to horse owners in Agoura, California, was arrested on June 6, 1999, for allegedly sexually assaulting horses. House pled no contest to two felony counts of animal cruelty and two misdemeanor counts of sexual assault on animals. He was sentenced to four years in prison.

House's defense attorney, Michael Rotsten, who specializes in animal cases, thinks California's anti-bestiality laws are arbitrary. "It's all right to shove an electric rod up a fox's butt and electrocute it, but if somebody were to walk up to the animal and masturbate it, they would be a criminal."

Rotsten believes his client was the victim of a modern-day witch hunt. Although there were no eyewitnesses and the case against House was based solely on circumstantial evidence, Rotsten advised his client to accept the plea agreement.

Despite their calls for legislative proscriptions, some anti-bestiality factions question the value of prison without treatment. "I don't really look at it like a crime," says Mike Rolland (an assumed name), the founder and ex-president of ASAIRS. "It's more like a psychiatric crime, but they should be incarcerated while they are being treated, and all of their animals should be removed from their possession. Slamming people in jail and letting them out in five years is not going to do any good. A lot of people who have been caught go right back out and do this again." Even so, he wants bestiality outlawed in all 50 states.

Rolland is one of the most controversial characters in the animal-sex scene. Although the 41-year-old Iowan admits to having masturbated or performed oral sex on more *(continued on page 110)*

(continued from page 100) than 100 dogs, beginning at age nine with his sister's German shepherd, today Rolland is one of bestiality's most avid critics.

"Being involved with zoophilia was like being in a cult," remembers Rolland, who found himself spending more than 18 hours a day on his computer, perusing animal-sex forums. "It tends to brainwash you after a while. The only people you associate with are people who think the same way you do."

A friend convinced Rolland to seek professional help. With the assistance of a therapist, Rolland quit fucking and sucking his pets. Embarking on a one-man crusade against zoophilia, the recovering zoophile contacted law-enforcement agencies to shut down illegal bestiality porn sites, and encouraged animal-rights groups to lobby for anti-bestiality legislation.

Many zoophiles declared war on Rolland. To learn his true identity, zoos hacked into Rolland's America Online account, then distributed his real name and address. To this day, Rolland receives numerous death threats.

Considering the social, legal and health hazards, why do people become zoophiles? According to the Humane Society of the United States, bestial practitioners fall into three categories: the opportunistic, who experiment sexually with animals, using them as a substitute for human beings; the sadistic, who feel empowered by abusing animals or forcing others to have sex with animals; and the fixated, who take the natural affection for one's pet to unnatural extremes.

Justine bones dogs and simultaneously maintains a healthy relationship with a human being.

"Canines and humans both have things to offer that the other doesn't."

"Bestiality is a social cop-out," opines Rolland. "Zoophilia is partly caused by low self-esteem, social phobia and shyness. It becomes a revenge back at society because society doesn't approve of it. It's like the ultimate insult to your parents—you have sex with dogs, and they're not gonna have any grandkids."

Contrary to Rolland's theories, Justine bones dogs and simultaneously maintains a healthy relationship with a human being. "I thoroughly enjoy human sexuality, and I have currently been with the same man for 15 years," she says. "[Canines and humans] both have things to offer that the other doesn't."

The Internet is playing a major role in connecting zoophiles with each other and with their jackoff material. Animal fuck fans who once traveled to Denmark to buy beasty porn are now just a mouse click away from snake-fucking videos. Zoo support groups are popping up all over the Internet with advice on how to boink dogs, horses, sheep, pigs, geese and more.

"A hawk will respond sexually to being licked, if you do it just right," reads an online, how-to-fuck-raptors guide. "In order to keep the hawk calm, you will want to have sex in a low—or no—light area. A place I prefer is in my shower. The constant sound of the water prevents the bird from being disturbed by other sounds, plus it is very relaxing."

Despite the anti-zoo faction's efforts, though, beast-banging Web smut remains a low prosecutorial priority.

"The federal codes would consider bestiality hard-core obscenity, but the FBI doesn't enforce it," says ASAIRS's Myers. "I've even contacted some ISPs in the United States because they had bestiality material on their sites, and they boldly laughed and said, 'The FBI just audited our system, and they didn't say anything about bestiality; they were interested in the child porn.'"

Contacted by phone, an FBI spokeswoman said that when they do find illegal bestial porn, they forward the information to local prosecutors, but she confirmed that they are more concerned with child pornography.

Surprisingly, many zoophiles join animal-rights activists in their opposition to bestiality porn. Canine Casanova opposes feral fuck flicks because the films objectify the critters, and he is sickened by the mistreatment of the animal porn stars.

"Things are done to elicit behavior," explains Casanova. "For instance, they allow a dog to become dehydrated so he will lick almost constantly."

Although Mule collects amateur bestiality videos made by his horse-fucking friends, he prefers to watch nature videos of animals mating: "The Discovery Channel is the greatest thing to come along for zoo people in a long time."

67% of Women Say They're *UNHAPPY* With The Size Of Their Lover's Penis...

Muscles, Money, and Looks help, but women want a "bigger" man.

The Average Penis Size Is Just 6 Inches... But Who Wants To Be "Just Average"?

Herbal Science Breakthrough!

World-Famous Pharmacist Creates *Revolutionary* Herbal Pill That Is Guaranteed To Increase Your Penis Size By 1"... 2"... 3"... or more in just a few short weeks! *(with absolutely no adverse side-effects)*

Dear Fellow Man...

What I'm about to tell you is absolutely true. If you believe me, you will be greatly rewarded for the rest of your life. If you don't believe me... I'll make it worth your while to change your mind. Let me explain.

I'm the President of what I believe is, the most advanced Herbal Nutrition Company in the United States. Over the past few years, my company created some incredible, breakthrough products... but this one has been our most successful by far!

Our latest and most *controversial* product is called LONGitude and by simply taking 2 LONGitude capsules every day... it will make your penis grow in both length and thickness by a whopping 26%.

Sounds impossible? Of course it does... but 96% of the men who try LONGitude have great success, growing 1"... 2"... 3"... and more. I myself gained 2 1/8" in just 8 short weeks on LONGitude. I am extremely pleased with this product's performance.

I'm a single guy... so I do date quite often and let me tell you man-to-man... NOTHING, and I mean NOTHING beats the look on my lover's face as she sees it for the first time... watching her gasp... almost in disbelief... with a slight look of fear in her eyes. I can't describe how confident a bigger penis makes me feel!

You Don't Believe Me... Right?

I don't blame you for being skeptical of LONGitude... hell, even when my research team told me they had finally got it right after 3 years of research and testing, I didn't believe it. That's why I tried LONGitude personally.

Let Me Explain How LONGitude Works... It'll Help Convince You...

Your penis has three chambers... 2 large ones on top which are your erectile tissue and one smaller one on the bottom which you urinate and ejaculate from. And...

(next page please...)

When you get an erection, your brain releases a hormone which sends blood to your penis, filling your erectile tissue. The blood cavities in your erectile tissue fill to the maximum, giving you an erection.

Now get this... the maximum your erectile tissue can fill with blood creates the size your erect penis presently is. But here's the breakthrough we've discovered... Your erectile tissue can be developed much larger and stronger than it is with our product LONGitude.

Simply put... your penis is EXTREMELY unfit and smaller than what it could be if your erectile tissue chambers were larger (holding more blood). LONGitude will go to work on these chambers - increasing their size in both length and width... to hold more blood... getting you a few extra inches you wish you were born with.

After just a few days on LONGitude, you will start to see and feel much difference in the way your penis hangs and feels when erect.

LONGitude will also promote increased sensitivity... getting you more "feelings" during intercourse, enabling you to achieve ROCK HARD erections ANY time you desire.

LONGitude will give you a more muscular look, surely standing apart from other penis... A penis your lover will remember for the rest of her life!

100% Natural & Safe LONGitude Will:

- ***Strengthen and harden your erections like a length of STEEL PIPE!***
- Develop your PC Muscle to form a truly "muscular" looking penis that will impress and arouse your lover. I guarantee they'll brag to their friends.
- ***Enlarge your penis 1-4" or more AT HOME, without vacuum pumps, weights, or surgery.***
- Intensify your orgasms.
- ***Achieve more powerful thrusting ability.***
- Last as long as you want without drugs.
- ***Achieve ROCK HARD erections any time you want... your lover won't believe it!***
- Safely and Permanently enhance your penis size, strength, and ability without expensive and dangerous pumps, weights, drugs, or surgery.
- ***And much, much more!***

When you feel you are at your peak performance level in penis size and mass... you'll have a new found confidence... knowing you can please any woman more than any other man could - no matter how hard he tried!

Here's What You Can Expect To Happen Taking LONGitude:

Week 1-3:	Your penis will experience greater and longer lasting erections and a noticeable increase in thickness.
Week 4-8:	Your penis will have grown in length and will possess much more thickness in both- erect and flaccid states.
Week 9+:	Your penis will have taken on a new body, not just longer and thicker, but much harder and healthier.

It's pretty simple to understand... the size of your erectile tissue chambers is what limits your penis to the size it is now. LONGitude painlessly makes these chambers longer and wider, holding more blood... making your penis several inches longer.

90% Of Men Have A 6" Penis... That's The Average Size LONGitude is made for men that are NOT HAPPY WITH AVERAGE!

You don't want to make an average income... live in an average home... drive an average car... why settle for an average penis... especially since it is inexpensive and safe to have some serious machinery between your legs.

Try LONGitude without risk... here's how:

A One-Month supply of LONGitude (60 capsules) costs just $59.95 plus shipping. Get yourself a bottle right now by calling 1-800-518-3492 with your credit card, 24 hours a day - 7 days a week. We'll rush you off a bottle of LONGitude... try them as recommended- just 2 easy-to-swallow capsules per day.

You're Guaranteed To See An Increase Of ONE FULL INCH in 30-Days Or You Pay NOTHING!

If after trying LONGitude for 30-days, you do not experience a FULL INCH in length and a noticeable increase in thickness, simply send the bottle back to us and we'll refund 100% of your money - even the shipping fees you've incurred! No questions asked!

How Can We Be So Generous?

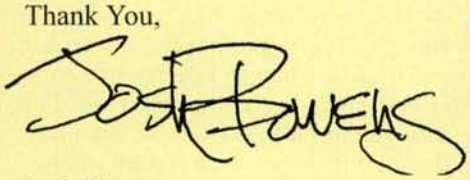
Easy- with a 96% success rate... we're more than confident it'll work for you... with amazing results that almost defy belief! Think about it... standing in the mirror with a penis 1"... 2"... 3" larger... or more. That would be something, wouldn't it?

You bet it would. And with our 30-Day NO GROW-NO PAY guarantee, where *we'll even refund your shipping cost*... you have absolutely nothing to lose!

I know you may still be skeptical... but all I want you to do is "try" LONGitude... I won't consider this purchase binding until after 30-days. Can it really work for you? You'll never know unless you give it a try. Look- pass up on this offer and 30-days from now, you'll simply be a month older with the same penis you have now... or you can be on enjoying a new life as thousands of other men are... many inches longer. **You decide**.

And by the way... LONGitude will be *discreetly* billed to your credit card under CP DIRECT and it is shipped in a plain box, with only our return address on the label.

Thank You,



Josh Bowens

Call 1-800-518-3492 to "try" LONGitude risk-free for one month

PS: In a recent survey conducted by Durex Condoms, 67% of women said that they are unhappy with the size of their lover's penis. Proof that size does matter! A larger penis has much more surface area and is capable of stimulating more nerve endings, providing more pleasure for you and your partner. A man endowed with a 7" or 8" penis is simply better *"equipped"* than a man with a 5" or 6" penis. Would you rather have more than enough to get the job done... or fall short. It's totally up to you.

PPS: A special bonus if you are one of the first 250 men to try LONGitude risk-free... You'll receive FREE membership into our Preferred Customer Club where you'll receive a $20 discount off every future bottle of LONGitude. In addition, so you do not go a day without our capsules, you'll automatically receive a new 30-day supply every month and we'll bill you just $39.95, plus shipping - that's $20 OFF the retail price. Trust me- after a week on LONGitude you will not want to live a day without this product until you reach your optimum length. Once you reach your optimum length in about 3 months, call us and we'll stop sending automatic shipments. There is no minimum amount of bottles to buy and you can cancel shipments at any time. And if you take us up on our 30-day money back guarantee, your credit card will never be billed again.

PPPS: This breakthrough product will make your penis grow, and grow until you decide it's the perfect size. When it reaches it's optimum size, stop taking LONGitude. You do not have to take LONGitude ever again- the results are permanent. Most users stop taking LONGitude once they reached 8" to 9" (about 12 weeks). It is not advised to go past the 9" limit for the simple fact that you'll be too big for many women.

Here's Some Of The Most Common Questions New Users Have:

What Is LONGitude?
LONGitude is a 100% safe and natural formula that is guaranteed to increase penis size by an average of 26%.

How Does LONGitude Work?
LONGitude permanently enlarges your two erectile tissue chambers in your penis to hold more blood during an erection... thus, making your penis much, much larger in size.

Are Their Any Negative Side-Effects?
Absolutely zero. A positive side-effect is that you'll be more sensitive, enjoying intercourse more.

How Do I Take LONGitude?
Simply take 2 easy to swallow capsules every day.

How Long Can I Expect My Penis To Get?
Measure yourself during full erection and add 26% - that is the average size increase. LONGitude will continue to work the longer you use it.

How Long Will It Take To Work?
LONGitude will start working instantly, making your penis thicker and erect more often. Length growth starts a few weeks later and the total process usually takes 12 weeks.

How Long Should I Take LONGitude?
Take it until you get to 8" or 9". After you get to this size, we advise you stop taking it. Any longer of a penis would be too large for most women to handle.

What Are The Ingredients of LONGitude?
LONGitude is a proprietary blend of the following 100% safe and natural ingredients: Zinc, 300 Yohimbe, Maca, Catuaba, Muira Pauma, Oyster Meat, L-Arginne, Oat Straw, Nettle Leaf, Cayenne, Pumpkin Seed, Sarsaparilla, Orchic Substance, Licorice Root, Astragalus, Tribulus, Boron, and Ginseng.

Psycho Ex-Girlfriends

(continued from page 80) anyone can do about it."

* * *

"Revenge isn't always the primary goal," notes Watts, the relationship adviser. "Some girls will do anything to get their man back; they just can't accept that the relationship is over. From a purely clinical view, a girl must accept that a breakup is a loss, like a death." Without knowing the cause, he notes, the grieving process can't even begin. "And that starts with the actual breakup procedure itself. While ditching a chick without saying a word may seem to be the easiest way out, that can be as dangerous as setting off a stick of dynamite without a fuse. A woman must know why it ended if she's ever going to get the closure she needs to move on."

So how should a man proceed if he finds himself in the middle of a psycho-ex experience? "First and foremost," says Watts, "don't be afraid to do something about it, and don't take it lightly. Make a note of everything that happens. Press Star 57 [offered by some telephone companies] on your phone after each of her annoying phone calls—it traces the number of the offender and provides the police with a record of the harassment. These situations tend to build, usually until the girl finds a new man. If it gets bad enough, get a restraining order."

"The important thing is to have some kind of proof that all this crap is happening to you," agrees Koffman, the Texas-based concert promoter. "Record phone messages. Save any freaky letters. Better yet, screen your calls, change your phone number, and vary your daily routine. Move if you have to—it's better to change apartments than to be forced to live in a jail cell."

While ditching a chick without saying a word may seem to be the easiest way out, that can be as dangerous as setting off a stick of dynamite without a fuse.

"Get her to go to counseling with you, under the guise of working things out in your relationship," says Jon Piedmont, a self-proclaimed "chick expert" from Winnamucka, Nevada. "If you're lucky, the counselor will realize that she needs to be hospitalized."

"Do whatever it takes," agrees Tom Birch, who caught his ex taking a piss on the upholstery of his new Mustang. "You have to treat these chicks like druggies. Turn them on to a new substance. Throw her into somebody else's lap. Set her up with your worst enemy.

"If you plan on breaking up with a suspect girl, wean her off the relationship—give her less and less of your time over a period of a few weeks. Communicate how you feel. Don't let it all come out as a huge shock to her. Then run like hell. Go on vacation; give her time to forget about you."

* * *

Even the most experienced, hardened man can be caught in the wiles of a psycho-ex. At 85 years old, retired Marine Stanley Howard of Coney Island, New York, had outlived two wars, two wives, two sons, a grandchild and a stroke. After his second wife passed away of a heart condition, he was feeling down. Then he met Page, the 74-year-old editor-in-chief of the Senior Center newsletter.

Two days later, Page had moved into his two-bedroom condo; soon afterward, things went sour. Page didn't like Stanley's gambling habits and refused to let him go on his Wednesday-night jaunts to the casino. Not about to take orders from some broad, the retired jarhead told her to get out, and his septuagenarian ex went psycho.

"I was afraid of dying alone," Page now admits as she gazes lovingly at a framed photograph of Stanley.

Page began telling people at the Senior Center that Stan was an "ass pervert." She even wrote a two-part exposé titled "Stanley Howard Is an Ass Pervert" in the newsletter. She caused Stan enough stress to prompt another stroke, which caused him to lose the use of his blackjack hand. In desperate need of someone to take care of him, Stan concluded that having Page around suddenly looked pretty good. Even before Stan could walk again, the two were married. But as soon as Stan was off the respirator, he became frustrated when Page refused to take him to the casino. Lifelong gambler Stan asked for a divorce but, crippled as he was, he lacked the mobility to commence the divorce proceedings.

When Page wouldn't help him acquire the papers, the 85-year-old made his final escape, passing away in his sleep. Psycho-ex Page keeps things in perspective. "I'll be joining him soon enough," she says. "Then we'll truly be together forever."

"Ah, welcome. Been polishing your seat for you!"

Mandy crawled on top of me and mashed her mound against mine. Pam wedged herself between our legs and licked both pussies at once.

(continued from page 51) That outfit turns me on. Pam's fiery-red hair was heaped on her head; her lips were painted scarlet. She looked so fucking sexy, I almost tossed Mandy off my crotch to pounce on Pam. I had now officially forgotten the heartache of the *Chorus Line* debacle.

"Don't just stand there," I called to Pam. "Come here and we'll bust you out of those work clothes."

Mandy rolled to my side on the beanbag. We watched Pam walk across the room. Mandy and I are plenty hot (imagine a young Kim Basinger and a top-heavy Lisa Bonet), but Pam is something else. Her vibrant presence is mesmerizing; her body is a brick shithouse. When she serves a man a cup of coffee at Tad's, he leaves her a $10 tip for the privilege of watching her fill the cup.

Pam approached us languidly, her wide, soft hips swaying hypnotically. She stopped at our feet, towering above us in her white sneakers. We ran our hands up and down her lean, silky legs. I kneeled between the endless gams and inhaled the musky aroma of Pam's cunt as she lowered her puss onto my face. I nuzzled her silky underpants. The fabric was cool and soft against my nose, and thick with Pam's scent. Tucking the panties aside, I dragged my tongue slowly through Pam's slick trough. Her tangy girl juice danced on my taste buds.

"You're a hot pussylicker," Pam growled, rolling her hips.

Mandy crept behind Pam and wedged her fingers in the redhead's butt crack.

"Spread it and rim it," Pam urged Mandy. Mandy spread Pam's cheeks and flapped her tongue against the vixen's dirty pucker. *Schlap-smack* sounds filled the air as our dueling tongues worked feverishly on Pam's raunchy parts. Mandy slid her free hand between my legs and fingered my twat. I bucked my hips and fucked her flitting paw. Pam was moaning now.

"You bitches are good," she crooned, jiggling against our mouths. "I'm *commmming* on you *biiiitch...esss...AHHH!*"

Pam quaked and squirted cunt broth in my mouth. I watched in admiration as her beautiful boobs heaved and shook. The flame-tressed goddess clambered off my face and kneeled on the floor.

"You guys fuck now," the spent sex-pot suggested. "I'll help."

Mandy crawled on top of me and mashed her mound against mine. I squeezed her ass; she sucked my tits. Pam wedged herself between our legs and licked both pussies at once, slathering our clams as we bumped clits. She added her hands, sinking her fingers into our holes while coating our labes with slobber. My vage pulled tighter and and tighter until it was ready to bust.

"Yes, yes, yes, yes, YES!" I exclaimed as I came, my body spasming wildly. My nails scraped welts down Mandy's back. Mandy was trembling too, and erupted with a scream, her overwhelmed cookie making a wet mess all over the carpet and Pam's flawless face.

"That was hot," Pam remarked, lighting a cigarette and stretching out on the floor, her polished, naked body gleaming in the late-afternoon sun.

"Thank you, girls," I panted. "I am so over *A Chorus Line*."

Maybe we should forget this Broadway nonsense and do porn instead. Our all-girl vids would make us fucking famous. —S. J.

New York, New York

Sodomy en Español

I'm an ass man. Give me a big, juicy butt with plenty of jiggle in it. I love to hear the *pop!* of tender flesh as I spank a hoochie's shit pillows hard. When I'm through smacking, I'm ready to spread her sweet, round cheeks and bang the bung till I frost her hot, fluffy cupcakes with man jam.

I live in a butt-lover's wet dream. My neighborhood is thick with Mexican chicks. In case you didn't know, Latinas have big, hot asses. The *chicas* in my 'hood would put Jennifer Lopez to shame, for real. They make some beautiful women, the Mexicans. Sunday mornings, I kick it on my porch with a cold one and watch all the fine *mamacitas* as they stroll home after church, their glorious, rotund bottoms bobbing beneath their brightly patterned Sunday dresses. I don't think I've made it through one Sabbath without springing a serious boner.

¡Que Excelente! is the neighborhood watering hole. I spend a lot of nights there sipping Tecate in a red plastic booth, watching the ladies drink Corona and giggle around the *mariachi*-blaring jukebox. I am a *gringo*, and I don't speak much Spanish, but the girls like me because I always want to dance. Some of them love me. Francisca, for example. *Aaaah*, Francisca! What an incredible ass, and (continued on page 165)

"If you can't find anything sexy to buy in here, I'm dumping yer ass."

Francisca's ass spasmed as she came. I gritted my teeth as ball batter exploded from my prick, gorging her sphincters with cream.

(continued from page 123) dear Lord, she knows what to do with it.

It was a Friday night at *¡Que Excelente!* when I met Francisca. The girl is a knockout: long, gleaming black hair, huge, brown eyes and delicate, teacup-size breasts. I was smitten by the front view, but when she turned around, I nearly collapsed. The woman's backside is out of this world: high, heart-shaped, bursting and plump as a ripe peach. I wasted no time in asking the stunning *chiquita* to dance.

"*¿Bailar?*" I inquired in my best Spanish.

"*Si, gracias,*" she replied, taking my arm. We stomped around the floor.

"*¿Que le hacen cosas?*" I was trying to make conversation by asking her what leisure activities she enjoys, but I was butchering the language.

"I can talk to you in English," Francisca winked. "You try to ask what I like?"

"Yes," I grinned.

"I like you, Mister.... What is your name?"

"Bart."

"I am Francisca. I like you, Mister Bart, and I like time alone to spend with you."

Marveling at my good fortune, I took Francisca home. I was going to offer the lady a drink, but she wasn't interested in pleasantries. She patted my 1970s-era, brown-velvet sofa, her eyes gleaming with mischief.

"Come sit here, Bart," she purred. "I show you how much I like you."

I plopped down on the couch. Francisca crawled into my lap, lifted her long, colorful skirt and rubbed her pantiless crotch against my peter. I hardened instantly; my boner pressed urgently against my bluejeans. Francisca lowered my fly and clutched my cock, jacking it firmly in her warm hand.

"I know what you want," she announced, staring knowingly into my eyes. "You like my backside. I spot you a mile away. That is why I like you. I like a man to love ass."

My heart pounded. I'd never been so excited. Francisca removed her blousy white top. I sucked her pert *chichis*. My balls throbbed with desire.

"Very nice, Bart," Francisca said. "Now, I turn around. You eat my *culo*, and then I let you sex it."

The randy *dama* crawled onto the coffee table and crouched there, her ass hovering inches from my sweaty, trembling face. I inhaled her crack, which smelled of cumin and refried beans. Hands shaking with excitement, I slapped my palms on Francisca's golden brown buns and gawked as the flesh quivered like Jell-O.

"Perfect," I whispered before burying my tongue in her gorgeous booty hole. Francisca whinnied and thrashed as my tongue slathered her butt, scooping down periodically to lap her spicy, sweet poontang. Her soft, billowing cheeks shimmied, gently slapping my face. My boner raged with startling ferocity; I was certain that every ounce of blood my body houses was teeming in that angry sausage.

"Such good sucks," Francisca moaned. "I could burst like a piñata. Give me penis."

I stood up, spit on her anus and gripped my dick. Francisca's butt twitched. Slowly, I wedged my wiener into her poop chute, relishing each millimeter of her tight, funky butthole. I pumped carefully, breathing deep and slow so as not to squirt right away. Gradually, my thrusts intensified. I clutched Francisca's shoulders and pounded. Francisca moaned and squirmed.

"*¡Bonito! ¡Magnifico!*" she gasped, slamming her backside against me. I tangled my hands in her luxurious, dark hair and pulled softly. Her pretty head bobbed; her dainty breasts swayed. I whacked her buttocks firmly. *Pow! Smack!* Handprints flushed deep scarlet against her tawny skin.

"It is so right," Francisca whimpered blissfully. "I am...I am...*mmmMMMAAH!*"

Francisca's ass spasmed as she came. The twitching muscles yanked my cock over the edge. I gritted my teeth as ball batter exploded from my prick, gorging Francisca's sphincters with cream. I tumbled back on the couch; Francisca tumbled with me, landing in my lap with her ass still attached to my penis.

"*Dios mio,*" she declared, mopping sweat from her brow with a mauve throw pillow. "You see? This is why I love an ass man."

Turns out, Francisca is already married. Apparently, hubby's a little uptight about the little woman's sexual needs. I don't mind being the other man. I'm happy as a pig in shit. —B. K.

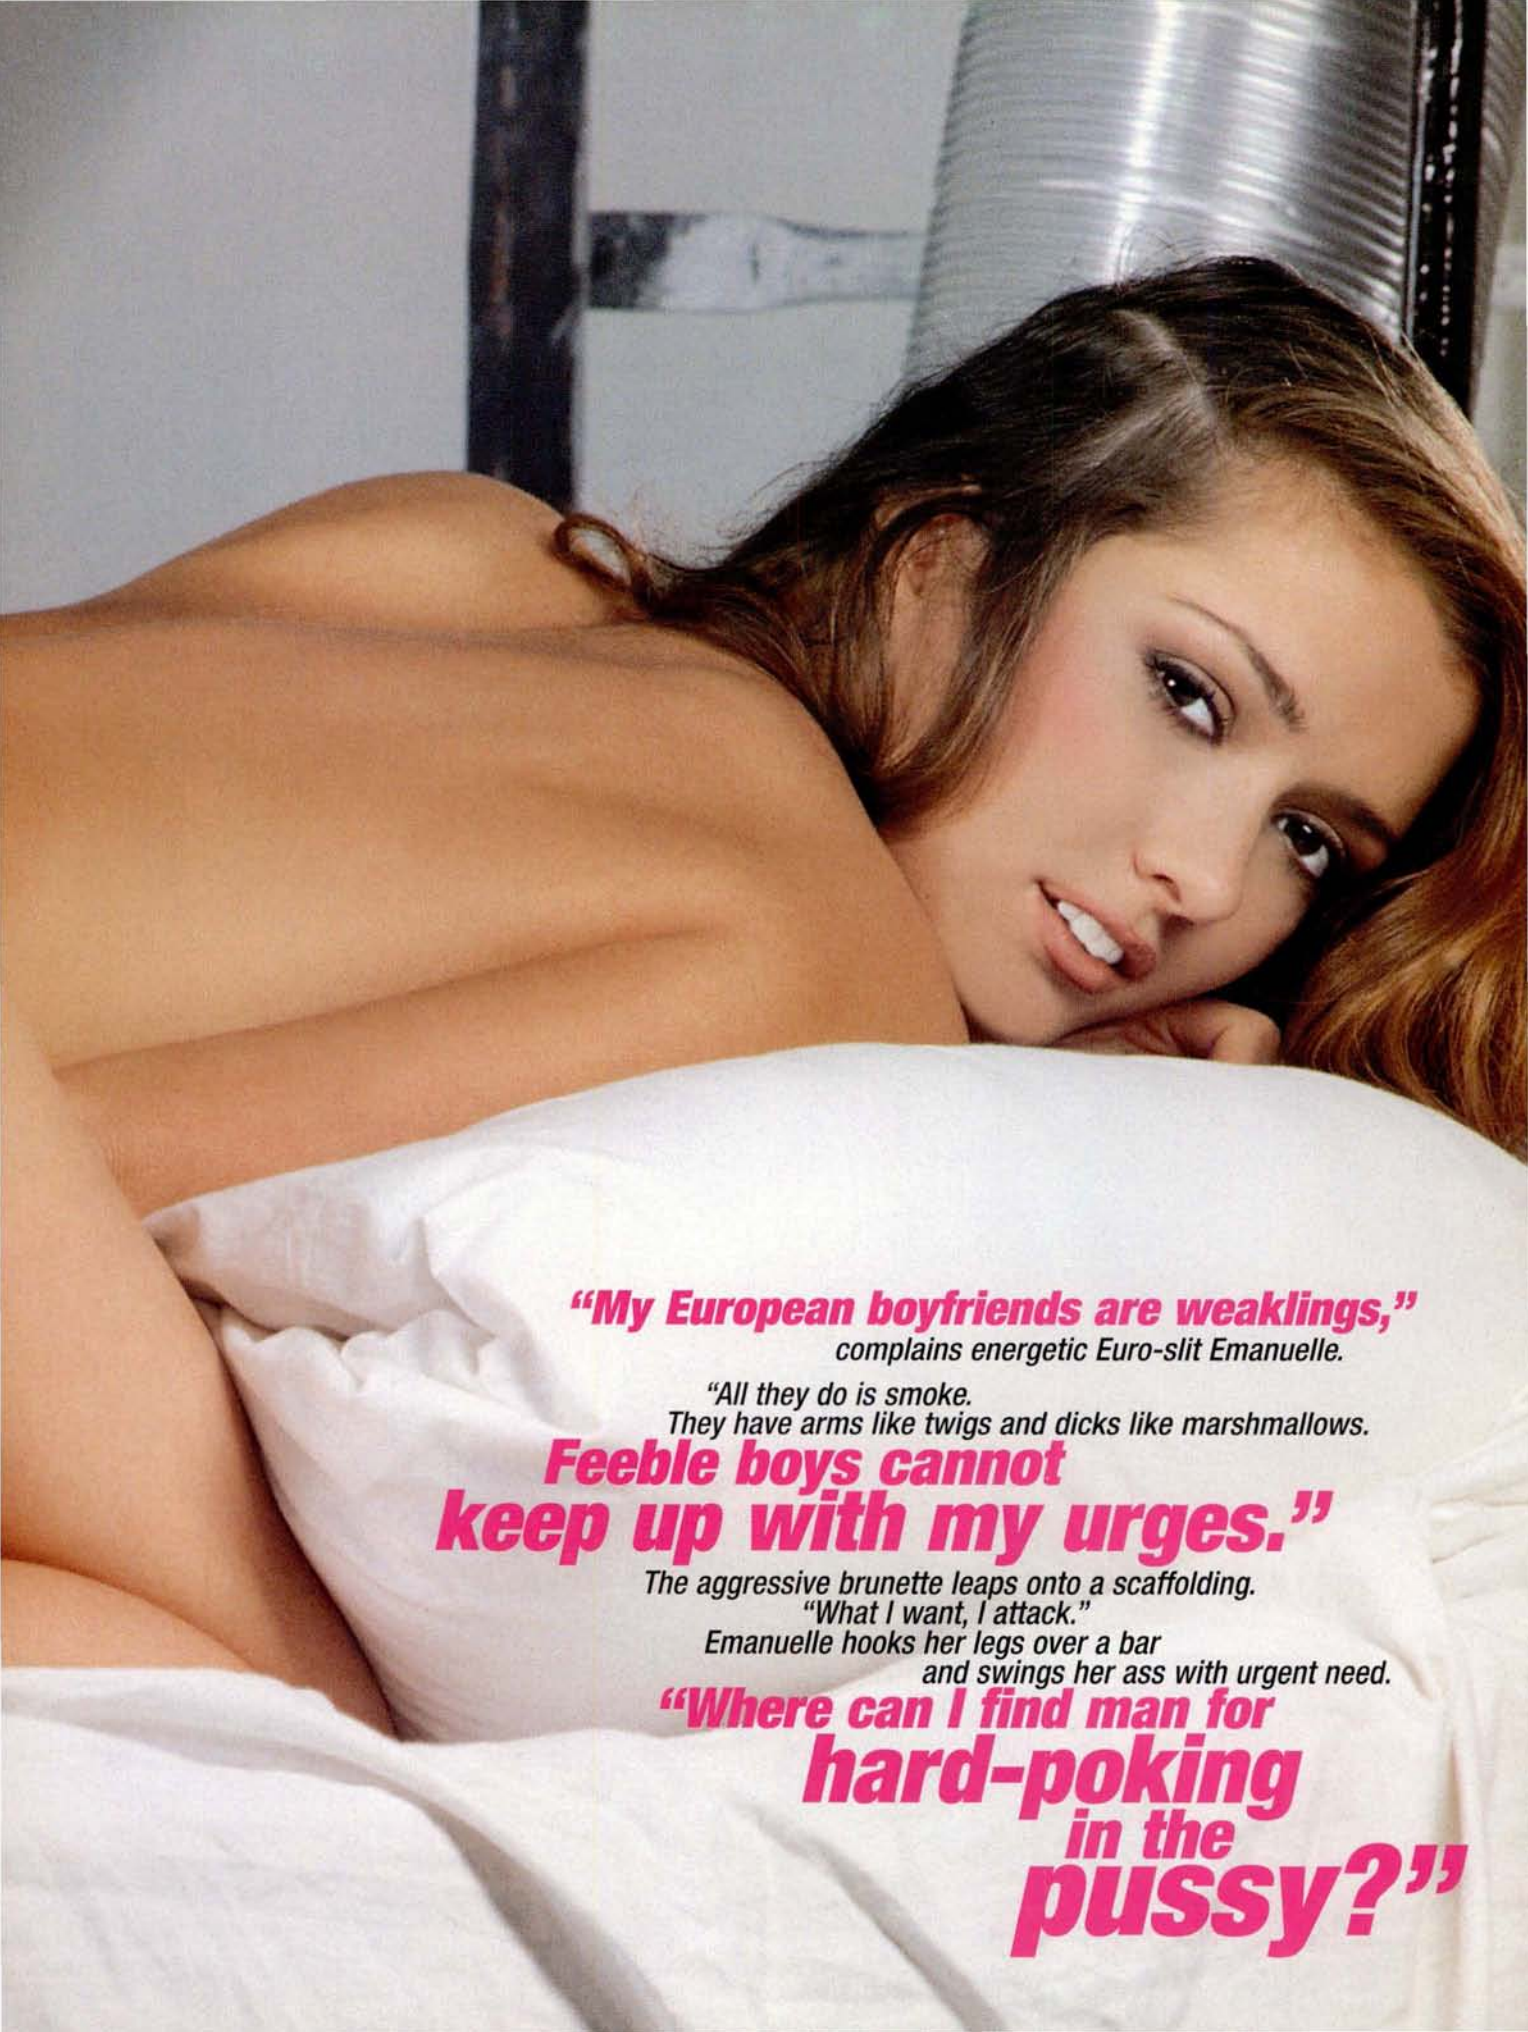
Climb on and Slide in

Photography by
Stefano Santori



"My European boyfriends are weaklings,"
complains energetic Euro-slit Emanuelle.

"All they do is smoke.
They have arms like twigs and dicks like marshmallows.
Feeble boys cannot keep up with my urges."

The aggressive brunette leaps onto a scaffolding.
"What I want, I attack."
Emanuelle hooks her legs over a bar
and swings her ass with urgent need.
"Where can I find man for hard-poking in the pussy?"

SIZE DOES MATTER!

Research shows that over 65% of women are unsatisfied with the size of their lover's penis! You needn't be embarrassed. Now you can do something about it!

WORKS ON NATURAL PRINCIPLES... NO GUESSWORK... NO MUMBO-JUMBO!

The male erection is produced when blood flows into the special *bulbocavernosus* muscles inside the penis shaft. As these muscles fill, the penis **increases in diameter and thickness.** By increasing their capacity as the SUPRA-12 does, they can hold more blood, resulting in **A DRAMATICALLY LONGER, THICKER ERECTION.** Users of SUPRA-12 say they're **"truly astounded"** when they see their penises reach **startling new proportions** inside the chamber of the SUPRA-12. **And you will be, too!**

THE SUPRA VALVE & ENHANCER PROLONG RING ARE FEATURES NO OTHER MANUFACTURER OFFERS!

Getting a huge, fat erection is one thing... *keeping it* is another!! That's where the features of the SUPRA put it miles ahead of its competitors! The patented SUPRA Valve "locks in" the vacuum power for the **biggest size possible in the shortest amount of time.** And with the ENHANCER Prolong Ring, you **can stay as hard as you want, for as long as you want. Our ring fits any size penis,** maintaining **your dynamic "super erection"** indefinitely, but never interfering with your pleasure – EVER! *You can penetrate your sex partner deeply, enjoying intercourse more than ever, because the ENHANCER ring GIVES YOU COMPLETE CONTROL!*

SAFE & EFFECTIVE... INCREDIBLE VALUE... FOUR MODELS AVAILABLE!

According to **U.S. News and World Report,** our Vacuum Pumps and Erection Rings are "simple, safe, and effective..." (8/24/92). The SUPRA-12 is the World's Best Selling line of Penis Enlargement and Erection Building systems, and at a price that's an international "Best Deal!"

WHAT SATISFIED CUSTOMERS SAY:

"Wanted to you know your product really works for me. It added 3" in length plus 1" in diameter to my penis. My partner tells me I don't need any more because I won't be able to use it." **–JK, South Carolina**

"My wife commented that my penis looked bigger when coming out of the shower." **–OT, Florida**

"My girlfriend loves the results. She doesn't know what I do. So help me, she thinks it's natural." **–TM, Oregon**

Coming Next Month in HUSTLER

Bewitching Babes

Don't miss HUSTLER's October exclusive, when a true-life offspring of two movie legends poses for a magical spread. Astonished readers will find this Hollywood progeny sweeter than a spoonful of sugar. Our goody bag also includes a coven of cock-crazed witches gathered for unholy carnal rites. A mirror-toting beach nymph gazes into her looking glass and sees pink. Two lesbians cast spells and gobble snizz during a devilish ritual shrouded in mystery and vinyl. The glistening skin of a sacrificial slit beckons horned warlocks to sink their blood swords into her eternal wound. One-eyed monsters will be transfixed by the enchantresses who haunt the October 2001 HUSTLER.

Gynecologist Confidential

Beverly Hills gynecologists occupy hallowed ground as cooch medics of the rich and famous. Still, inside the walls of these elegant offices fester awful secrets and revolting afflictions that know no class boundaries. In October's stomach-churning *Sex Play*, an employee from one of the posh gynecological emporiums catering to well-heeled cunts reveals what she deals with on a daily basis. From disposing of mutilated fetuses to a television starlet's labial acne, nothing is too shocking for this exclusive HUSTLER exposé.

Frisky Business

Traditionally, bored employees cope with the monotony of corporate jobs with cigarette breaks and water-cooler gossip. Recent surveys show that a growing percentage of the work force uses illicit office fucks to break up 9-to-5 drudgery. Participants in these impromptu couplings aver that a quick blowjob in the conference room clears the head and makes for a happier, more productive employee. Unfortunately the illusion of no-strings sex is shattered when such affairs turn ugly, leading to office screaming matches, firings, divorce and even sexual-harassment lawsuits. Correspondent Reni Lagorio uncovers what happens to a company when the boardroom doubles as a bedroom in an enterprising HUSTLER feature.

Multiple Phantasms

The living dead return when Suzanne Somers joins the cast of *Three's Cancerous* in the *Bits & Pieces* fall lineup. *Erotic Entertainment* drives a stake through the heart of lame porn with a dozen wand-waving reviews. Innocent local girls transform into ginch-spreading hellions in the pages of *Beaver Hunt*. Pussy is the trick *and* the treat in the October 2001 HUSTLER.

October 2001 HUSTLER on sale July 24.
